6. The User Setup window will display. Click on the Next button.

The screenshot shows the 'User Setup' window of the Rialto Unified School District self-service account setup wizard. At the top, there is a 'Sign out MARILYN WALTERS on RialtoUSD' link and the Rialto Unified School District logo. Below the logo, a message states: 'This wizard walks you through the steps required to configure your account for our self service account features.' The main heading is 'User Setup'. The text below reads: 'You will now be guided through setting up your account so you may perform various self service actions, such as Password Resets. The list below shows the steps where we need details from you.' There are two steps listed: 'Incomplete Incomplete' and 'Mobile Numbers Answer Your Personal Questions'. A checkbox labeled 'Show steps that are already completed' is present. At the bottom, there are four buttons: '< Previous', 'Next >', 'Cancel', and 'Finish'. The 'Next >' button is highlighted with a red box and a red circle with the number 6.

7. Type your Mobile Number. This will be used to notify you of a password change.
8. Click on the Add button.
9. Click on the Next button.

The screenshot shows the 'Mobile Numbers' section of the 'User Setup' window. The heading 'Mobile Numbers' is displayed. Below it, the text reads: 'We occasionally need to send you messages and confirmations. Please provide your contact details here.' There is a text input field labeled 'Add Mobile Number' with a red circle 7 next to it. To the right of the input field is an 'Add' button with a red circle 8 next to it. At the bottom, there are four buttons: '< Previous', 'Next >', 'Cancel', and 'Finish'. The 'Next >' button is highlighted with a red box and a red circle 9.

10. Answer at least two of the security questions. You do not need to answer them all. You can create your own security questions after these steps are completed. (You can click the “Show answer on the screen” box if you wish to view the answers as you type them. The answers are case sensitive so be sure to know if you are using CAPS or lower case when completing this step.
11. Click Next.
