

## **QUESTIONS THAT STUDENTS OFTEN ARE ASKED AT A COLLEGE INTERVIEW**

The following questions are a cross section of questions that are generally asked at college interviews:

1. How did you first hear about our college?
2. What are your career goals - - long-range and short-range?
3. What accomplishments have you achieved or activities have you participated in that have had a particular effect on you and your life?
4. What might you be interested in as a future profession?
5. What are your strengths and weaknesses?
6. How familiar are you with this college and its programs?
7. Which one of your activities has given you the most satisfaction?
8. If you had high school to do over again, would you do anything different?
9. What particular "life goals" are you seeking to achieve or pursue?
10. What are your priorities in selecting a college?
11. How would you describe your high school and how would you change it?
12. Where do you see yourself in 4 years?
13. Discuss your most stimulating intellectual experience.
14. Tell me about something you have really wanted and had to go after on your own.
15. What is the most significant contribution you have made to your school?
16. What books or articles have made a lasting impression on your way of thinking? Have you read deeply into any one author or field?
17. Have you ever thought of not going to college? What would you do?
18. What will be the "good life" for you 20 years from now?
19. How would you describe yourself as a person?
20. If I handed you my telephone and let you talk to one living person, to whom would you talk? Why?
21. Why should we accept you at our college?
