

Crestline 2020 Invention Convention

Crestline is having its annual Invention Convention and we want to see what YOU can create!

Every student in Kindergarten – 6th grade is invited to participate! All will receive a certificate of participation and Hershey Bar.

A “Best in Show” Award will be given in 3 categories: K-2nd, 3-4th, and 5th-6th. Winners will receive a Tinker-Crate STEM Kit!

IMPORTANT DATES

Monday, March 9th

Submission Forms are due!

Forms can be found on the Crestline Webpage. Printed forms are available in the Crestline Media Center.

Link to Form: <http://bit.ly/cesinvents>

Wednesday, March 11th

7:30 – 8:00 Bring your invention to the Crestline Auditorium.

Thursday, March 12th

8:30 – 10:00 Students share their inventions with judges.
(This is also an early dismissal day for students.)

Friday, March 13th

Classrooms visit the Invention Convention
NOON – Pick up inventions and take them home.
(This is also an early dismissal day for students.)

NEW FLIPGRID VIDEO ADDITION!

Students are encouraged to record a 1-minute video on Flipgrid (optional) to share the invention they are bringing with students who will visit the convention. The link to this easy-to-use site is <http://flipgrid.com/cesinvents>. Video recordings need to be completed outside of school and prior to the day of the convention.

Check out Crestline’s website for more information.
