Happy New Year 2018!

With the holiday break behind us, it is time to get back to learning and preparing for academic success. Midterm exams are scheduled to begin on January 10. Midterm and final exams count toward overall final grades and will affect a student's overall grade point average. Congratulations to Senior Daiana Lilo on her early acceptance to Harvard University. She is one of many Waterbury Career Academy seniors who will be heading off to four-year colleges upon graduation. WCA takes pride in its record of placing students into colleges, technical schools, and careers after high school.

School Counseling Corner

Attention Seniors:

- Make sure all your college applications are completed and submitted.
- Complete the Free Application for Financial Student Aid (FAFSA).

All 9th, 10th, and 11th grade students who took the PSAT's should have received their scores. Students also created college board accounts in class and linked to Khan Academy. Khan Academy will provide students with personalized practice recommendations based on their test results to help improve for their next College Board tests.
