### Important Information

Reminders:

1. Please update your child's bag of extra clothes to be season appropriate.
2. Please make sure your child's masks fit your child's face and are clean. Replenish the bag of extra masks.
3. Send your child to school in socks and tennis shoes daily. They need to have Velcro shoes or need to know how to correctly tie the shoes themselves. Children cannot wear boots to school because there is not time to change into appropriate shoes for recess and PE.
4. Kindergarten students need to bring a coat everyday in the winter. They need to independently zip/button their coats. Please have your child practice zipping their coat at home.
