

JFABD—ADMISSION OF HOMELESS STUDENTS

NUSD admits students who register as homeless immediately. Documents and immunization records will be collected, but the student may start school without these. A student is considered homeless if he/she is living in a shelter or a space not suitable for living, such as a park, a vehicle, or an abandoned building. Families that are doubled up on a temporary basis due to economic hardship are considered homeless. For mor information, please contact Donna Alvarez, NUSD Homeless Liaison, at (520) 397-7922.
