

Chandler Unified School District No. 80 Community Education Department

Junior High Summer Academy 2015 ACP Oakland

GENERAL INFORMATION

All Junior High Summer Academy classes will be held at:

ACP Oakland, 191 W. Oakland St., Chandler, AZ 85225

Dates: Mon., June 1- Fri., June 19 Temporary Telephone Number: 480-224-3900

Junior High Summer Academy Coordinator: Edward Beickman @ beickman.edward@cusd80.com

ACP Oakland is a closed campus. Students will not be allowed to leave the campus between classes. CUSD Food Services will provide a free breakfast and lunch each day.

- **ENROLLMENT:** Summer Academy courses will only be carried upon sufficient enrollment.
- **CODE OF CONDUCT:** During the summer session, all students are expected to adhere to Chandler Unified School District's Code of Conduct at all times.
- **DRESS CODE:** Students are expected to adhere to the CUSD Dress Code during Summer Academy. For dress code violations, students are sent to the front office to call home for a change of clothing. Repeat occurrences will result in a parent meeting.
- **TRANSPORTATION:** If you are in need of transportation, please select and add transportation services to your online registration. Students will be picked up/dropped off from their home junior high school then transported to ACP Oakland. Don't forget to obtain the transportation approval code from your school counselor.
- **MAPS:** Maps of classrooms and locations will be available online and the first day of class at ACP Oakland.
- **BREAKFAST and LUNCH:** Both are served daily at no additional cost. Please refer to your course information for the lunch time.
- **ATTENDANCE & TARDIES:** Students are allowed to miss up to 2 days of Summer Academy. If they miss a third day, the student will be dis-enrolled with no credit earned and no refund. Three tardies equal one absence. Thirty minutes or more late to class equals an absence. Leaving early from a class 15 minutes or more during the day is also equivalent to one absence.
- **FINAL EXAMS:** Final exams are given on the last day. **All students must attend the last day.** An absence on the last day WILL jeopardize credit for the course. All fees are non-refundable.
- **GRADES:** Summer Academy grades will NOT be mailed. Final Grades will be posted to the Student Portal in Infinite Campus. To access the student portal, students/parents will log onto www.cusd80.com then select "Parents and Students" tab followed by "Parent and Student Portal - Online Grades". Click Infinite Campus Parent and Student Online Portal located in the center of the screen. Student will then enter his/her unique username and password.

User Name - "S" plus your student number

Password - Enter the same password used to log into a school computer

- **COUNSELOR APPROVAL:** To complete registration, students will need the counselor issued approval code for **ALL CLASSES including transportation services**. Review your transcript with your counselor to make sure you're registering for the correct course.
- **REGISTRATION:** Register on our website at www.CUSDcommunity.com. Click "Register for a Community Ed Program" and then "Summer Academy". Payment for online registrations includes debit/credit cards. If paying by check/money order, visit the Community Education office located at 1525 W. Frye Road, Chandler, AZ 85224 and allow approximately 20-25 minutes to complete the registration. Cash is not an acceptable form of payment. Our hours are Monday - Friday from 7:30am-4:30pm. Telephone: (480) 224-3922

REGISTRATION CLOSES AT noon on Wed., June 3rd

Cancellation on/before March 31st - 100% Refund**

Cancellations April 1st - April 30th - 50% Refund**

NO REFUNDS ON/AFTER MAY 1st

*Please submit the credit/refund form available on our website www.CUSDcommunity.com under Summer Academy "Additional Information".

Junior High School Transportation: Students will be transported from the junior high school closest to their home directly to ACP Oakland Campus. If a student is not enrolled in two sessions, he/she is not allowed to remain on campus as staff is not available to supervise. Transportation services are not available between classes. Please make arrangements for pick-up. *APPROVAL CODE NEEDED

Junior High Math & AVID Courses

COUNSELOR APPROVAL: To complete registration for any of the transition, bridge, leap classes or AVID courses, students must meet with their school counselor to obtain approval code.

Math 6 Rewind: This course is designed to improve and review student math skills from Math 6 in the following areas: number theory, basic operations (with fractions, decimals and integers), proportions, percentages, measurement, graphing, statistics, and geometric concepts. Students will use reasoning and communication skills within real-world, problem solving situations. *This course is for students who struggled in Math 6 and need to review the skills necessary to be successful in Math 7. (To register for this course, students/parents should obtain the registration approval code from their guidance counselor.)*

Course Code	Location	Time	Dates	Fees
22014615	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/19	\$195

Math 6-Prep 7: Students will improve and extend standards based math skills including fractions, decimals, proportions, integers, order of operations, multi-step equations, and equations with variables on both sides. *This course is intended for students who were successful in Math 6 and want to prepare for Math 7. This is not for students who are taking Honors 7th Math during the 2015-2016 school year. (To register for this course, students/parents should obtain the registration approval code from their guidance counselor.)*

Course Code	Location	Time	Dates	Fees
22014715	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/19	\$195

Math 6-7 Honors Leap: Students will improve and extend standards based math skills including building conceptual understanding of fraction operations, as well as, multiple representations of numbers such as fractions, decimals, percentages, rates and ratios. Students will analyze patterns, sequences, functions, and representations such as tables and graphs to investigations in perimeter, area, scale, volume, and the meaning of pi. *This course is intended for students who will take Honors 7th Math during the 2015-2016 school year. (To register for this course, students/parents should obtain the registration approval code from their guidance counselor.)*

Course Code	Location	Time	Dates	Fees
22014815	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/19	\$195

Math 7-8 Honors Leap (Leap from 7th grade Math to Honors 8th grade Math) Students will improve and extend standards based math skills, including order of operations, evaluating expressions, similar figure proportions, comparing percentages, solving multi-step equations, equations with distributive property, writing linear equations in slope-intercept form, graphing linear equations. *This course is intended for students wishing to leap from 7th grade Math to Honors 8th grade Math, DID NOT pass the Honors Placement Exam, and have either a counselor recommendation to enter Honors 8th grade Math. (To register for this course, students/parents should obtain the registration approval code from their guidance counselor.)*

Course Code	Location	Time	Dates	Fees
22014915	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/19	\$195

Math 7 Refresher (NON CREDIT): This course is designed to improve and review student math skills from Math 7 in the following areas: number theory, mathematical operations (performed on fractions, decimals and integers), proportions, percentages, measurements, graphing, statistics, and geometric concepts. *This non-credit class is intended for students who passed Math 7 but struggled with the concepts. If you need a refresher course before entering Math 8, this is the perfect course. (To register for this course, students/parents should obtain the registration approval code from their guidance counselor.)*

Course Code	Location	Time	Dates	Fees
22107715NC	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/19	\$195

Math 7 (AVID students): This course is designed to improve and extend student math skills in the following areas: number theory, basic operations (with fractions, decimals, and integers), proportions, percentages, measurement, graphing, statistics, and geometric concepts. Students will use reasoning and communication skills within real-world, problem solving situations throughout the course. *This class is intended for students who are entering 7th grade and are registered to take Math 8 during the 2015-2016 school year. This course is also available for any student accepted into the AVID program. (To register for this course, students/parents should obtain the registration approval code from their guidance counselor.)*

Course Code	Location	Time	Dates	Fees
221077215	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/19	\$195

Math 8 (AVID students): Algebraic concepts are explored in this standards-based course along with problem solving strategies, geometric concepts, statistical concepts, and testing the validity of conjectures. Students will use reasoning and communication skills within real-world, problem solving situations throughout the course. *This class is intended for students who are entering 8th grade and are registered to take Math 9 during the 2015-2016 school year. This course is also available for any student accepted into the AVID program. (To register for this course, students/parents should obtain the registration approval code from their guidance counselor.)*

Course Code	Location	Time	Dates	Fees
22132215	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/19	\$195

ACP MATH 526 (5th graders entering 6th grade at ACP Oakland campus ONLY): This course is for students already enrolled at Arizona College Prep -Oakland Campus with skill gaps identified by their placement test. This course provides an opportunity for incoming ACP students to find success and fill grade level gaps. Students will review order of operations, integer operations, fraction, decimal and percent conversions, fraction and decimal computation and solving algebraic equations with fractions and decimals. Additionally, students will receive support for the school year curriculum and become familiar with ACP philosophies and expectations. Students may receive additional support as an end of class packet on specific skills to support their understanding. *(To register for this course, students/parents should review their placement test results with the ACP Oakland Counselor who will also provide the registration approval code.)*

Course Code	Location	Time	Dates	Fees
22015015	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/12	\$120

ACP MATH 627 (6th graders entering 7th grade at ACP Oakland campus ONLY): This course is for students already enrolled at Arizona College Prep -Oakland Campus with skill gaps identified by their placement test. This course provides an opportunity for incoming ACP students to find success and fill grade level gaps. Students will review order of operations, integer operations, fraction, decimal and percent conversions, fraction and decimal computation and solving algebraic equations with fractions and decimals. Additionally, students will receive support for the school year curriculum and become familiar with ACP philosophies and expectations. Students may receive additional support as an end of class packet on specific skills to support their understanding. *(To register for this course, students/parents should review their placement test results with the ACP Oakland Counselor who will also provide the registration approval code.)*

Course Code	Location	Time	Dates	Fees
2215115	ACP Oakland	7:45 am- 1:45 pm (Includes study/homework time) FREE lunch from 12:15pm-12:45pm	6/1-6/12	\$120

COUNSELOR APPROVAL: To complete registration for any of the 7th or 8th grade recovery courses, students must meet with their school counselor to obtain the approval code.

7th & 8th Grade Recovery Courses

Math 7: Students will improve and extend standards based math skills, including number theory, mathematical operations (performed on fractions, decimals and integers), proportions, percentages, measurements, graphing, statistics, and geometric concepts.

Course Code	Location	Time	Dates	Fees
22107715	ACP Oakland	7:30am- 10:30am	6/1- 6/19	\$155

Language Arts 7: Seventh grade students will write compositions, which will include personal narratives, short stories, and multi-paragraph summaries that communicate the ideas of non-fiction articles. During reading instruction, students will apply a variety of comprehension strategies.

Course Code	Location	Time	Dates	Fees
29107715	ACP Oakland	10:30am- 2pm (FREE Lunch: 12pm-12:30pm)	6/1- 6/19	\$155

Integrated Science 7: Students will explore science concepts using an inquiry-based approach with emphasis on the skills of observation and hypothesis generation, scientific testing, and analysis and interpretation of scientific data.

Course Code	Location	Time	Dates	Fees
23103415	ACP Oakland	7:30am- 10:30am	6/1- 6/19	\$155

Social Studies 7: The seventh grade social studies program focuses on the history of North America from the contributions of early civilizations up to the Reconstruction Period in the United States.

Course Code	Location	Time	Dates	Fees
24102815	ACP Oakland	10:30am- 2pm (FREE Lunch: 12pm- 12:30pm)	6/1- 6/19	\$155

Math 8: Eighth grade students will study algebraic and geometric concepts, problem-solving strategies, statistical applications, and test the validity of conjectures.

Course Code	Location	Time	Dates	Fees
22132115	ACP Oakland	10:30am- 2pm (FREE Lunch: 12pm- 12:30pm)	6/1- 6/19	\$155

Language Arts 8: Students will write expository essays that contain effective introductory and summary statements and fully developed ideas with details, facts, examples and descriptions. Students will analyze literary techniques used in poetry, short stories, plays, and novels.

Course Code	Location	Time	Dates	Fees
29102315	ACP Oakland	7:30am- 10:30am	6/1- 6/19	\$155

Integrated Science 8: Students will explore science concepts using an inquiry-based approach with emphasis on the skills of observation and hypothesis generation, scientific testing, and analysis and interpretation of scientific data.

Course Code	Location	Time	Dates	Fees
23103615	ACP Oakland	10:30am- 2pm (FREE Lunch 12pm- 12:30pm)	6/1- 6/19	\$155

Social Studies 8: In this standards-based course, students learn the ideals, rights and responsibilities of citizenship, and review/analyze the founding documents of the United States government.

Course Code	Location	Time	Dates	Fees
24103715	ACP Oakland	7:30am- 10:30am	6/1- 6/19	\$155

Chandler Academy of Performing Arts

Chandler Academy of Performing Arts, Brandon Kiesgen, Coordinator:

This is a performance-based music and theater camp designed for students entering 5th through 8th grades. The camp will include participation in a primary performing group (Band, Orchestra, Choir, and Theater) as well as an elective of the students choosing. Students will also participate in supplemental master classes where they will learn detailed techniques and approaches, music theory, and stagecraft. Our team of prominent instructors offers a well-rounded performing arts experience in an upbeat, casual atmosphere. Students will perform for their family and friends Thursday, June 18th from 7pm-8:30pm at the Chandler Center for the Arts.

Symphonic Band: Symphonic Band is available to any band students wishing to develop their skills on their instrument. Wind and percussion players will collaborate in an ensemble setting to play several works by great composers. Students will receive master classes focused on their instrument in order to enhance skills relevant to their individual growth, participate in music theory to help them better read and understand the technical functions of music and select one elective from the list below.

Code	Location	Time	Dates	Fees	Min/Max
CAPAsymph15	Perry High School	8am-12pm	6/1-6/19	\$195	30/30

Concert Orchestra: Concert Orchestra is available to any string students wishing to develop their skills on their instrument. String players will collaborate in an ensemble setting to play several works by great composers. Students enrolled in the orchestra track will also receive master classes focused on high strings or low strings in order to enhance skills relevant to their individual growth, participate in music theory to help them better read and understand the technical functions of music, and select one elective from the list below.

Code	Location	Time	Dates	Fees	Min/Max
CAPAorch15	Perry High School	8am-12pm	6/1-6/19	\$195	30/30

Chorus: Chorus is available to any student with a voice wanting to make great music in an ensemble setting. No prior experience is required for this course. Chorus will teach students the basics of vocal tone production and various styles of voice through the performance of great choral pieces. Chorus students will participate in music theory, as well as, vocal master classes that focus on high voice, low voice and projection, and select one elective from the list below.

Code	Location	Time	Dates	Fees	Min/Max
CAPAchorus15	Perry High School	8am-12pm	6/1-6/19	\$195	30/30

Dramatic Arts: Students enrolled in this track will explore the skills and techniques involved in acting and self-expression. In addition to creating a short production, students will participate in specialized courses on improvisation and techniques and select one elective from the list below.

Code	Location	Time	Dates	Fees	Min/Max
CAPAdramatic15	Perry High School	8am-12pm	6/1-6/19	\$195	30/30

Chandler Academy of Performing Arts Electives

Jazz Band: In this ensemble, students will learn the essentials of the jazz style of music and improvisation. This elective is open to a particular jazz instrumentation of trumpet, trombone, and saxophone and has unique spots for drum set, string bass, guitar and piano.

Guitar Ensemble: In this course, students will learn the basic fundamentals of guitar. This includes the playing of chords and individual melodic lines. Students will also learn how to read guitar music and tablature. No prior experience is required. Guitars will be provided but you may also bring your own.

Percussion Ensemble: This ensemble uses entirely percussion instruments to produce a performance. Students will also learn the techniques required for various percussion instruments. No prior experience is required for this group; however, the ability to read music is a plus. It is recommended that all percussionists enroll in this course.

Music Listening and Appreciation: This course emphasizes listening to and analyzing various types of music from all over the world. Active listening techniques allow students to hear music on a whole new level that is beneficial to their development. Students will hear music from lesser known cultures and discover exciting new exotic instruments.

For questions regarding the CAPA camp, please contact Brandon Kiesgen at kiesgen.brandon@cusd80.com.

Young Champions Karate: Open to boys and girls ages 4-15, this program follows a unique curriculum taught by certified black belt instructors in an exciting format for youth! Self-defense & safety awareness include release techniques, abduction prevention, respect & discipline. Beginner classes are held once a week for 40 minutes. Students have the opportunity to test for progressive belt ranks each semester continuing through the rank of black belt. Students learn essential life skills in addition to martial arts techniques including blocks, punches, kicks

and kata. *For questions regarding this class, Young Champions can be reached at (480) 603-3780.*

SUMMER CAMP OFFERINGS

Summer break is a time for cool summer fun! Check out the full-day summer camp experiences we have in store for elementary and junior high students. In addition to our regular camp activities and field trips, Kids Express offers one site that will accommodate the needs of elementary students attending Summer Academy classes. See the table below for details. All summer camp offerings are sure to be a cool hit with the kids, a great way to avoid summer heat, and an opportunity to get the good times rolling!

Kids Express - Grade K-6 (ages 5-12 only): Campers will enjoy fun weekly themes, tons of awesome S.T.E.M. projects, active games, team sports, water play, arts and crafts, swimming, movies, fantastic on-site special attractions, and some of their favorite field trips! Each child receives a camp T-shirt and summer survival pack. Get ready for a fun-drenched summer your kids won't soon forget!! See specific locations, dates, and rates below.

Location	Dates	Times	Activities
