You're Invited.....

GRADE 5

PROMOTION CEREMONY!!

JUNE 22, 2018

10:00 AM -12:30 PM

We would like to take this opportunity to invite you to the fifth grade promotion ceremony. The ceremony will be on June 22 in T.I.S. gymnasium. The promotion ceremony will be an opportunity to reflect upon this school year and wish our 5th grade students success in the future. Due to space constraints, no more than two people per family may attend the ceremony. **Casual attire is preferred**; children will be seated on the gymnasium floor during the ceremony.

UPCOMING EVENTS AT TIS

JUNE

- 19 Grade 5 to Star Hill (all day)
- 22 Grade 5 Promotion Ceremony, 10:00 a.m.
- 22 LAST DAY!! (THIS IS AN EARLY RELEASE DAY)

A NOTE ABOUT REPORT CARDS

The last report card of the year will be printed and a hard copy sent home with the students on the last day of school.

Letter to Parents and Students

Fight Summer Math Loss!

THE PROBLEM

On average, students lose 2.6 months of math skills over the summer months.¹

THE SOLUTION

Have your child engage in math activities matching their ability (Quantile® level) to make sure they don't lose ground over the summer. And we have a free tool to help you do just that.

SUMMER CHALLENGE

What is the Summer Math Challenge?

The Summer Math Challenge is a FREE math program designed to help kids retain math skills learned during the previous year. The six-week program offers daily emails with fun activities and resources at each student's ability level.

Who is it designed for?

The Summer Math Challenge is designed for students who have just completed grade 1 through 8.

How do I sign up?

- 1 Go to [Quantiles.com/summer-math](https://www.quantiles.com/summer-math) to enroll your child.
- 2 Starting Monday, June 18th, check your inbox for daily emails with fun activities and resources.
- 3 Visit [Quantiles.com/summer-math](https://www.quantiles.com/summer-math) every day to read about weekly math concepts and earn badges.
- 4 When the program ends on Friday, July 27th, print an award certificate to celebrate your child's summer accomplishments!

¹Cooper, H., Nye, B., Charlton, K., Lindsay, J., & Greathouse, S. (1996). The effects of summer vacation on achievement test scores: A narrative and meta-analytic review. *Review of Educational Research*, 66(3), 227-268. Potluri, Erika A., Harris Cooper, and Ashley Baltes Allen. "Extending the school day or school year: a systematic review of research (1985-2009)." *Review of educational research* 80.3 (2010): 401-436.

FREQUENTLY ASKED QUESTIONS

THE SUMMER MATH CHALLENGE uses Quantile measures to match students with ability-appropriate math resources and materials. Here are a few frequently asked questions about Quantile measures and how they work:

How do you get a Quantile student measure?

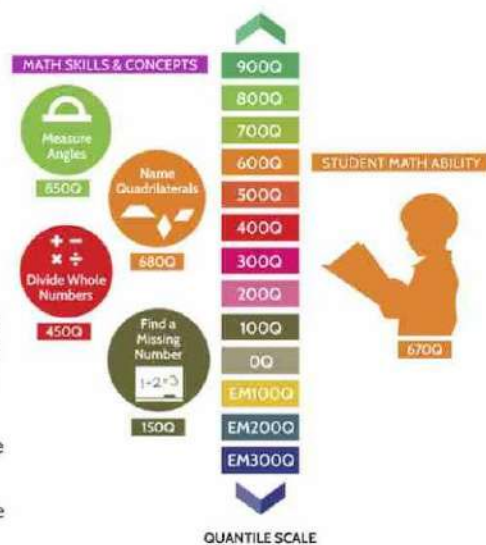

Quantile measures are available from many year-end state tests, as well as from other classroom tests and math programs.

How do math skills and concepts receive Quantile measures?

Over 500 mathematics skills and concepts have received Quantile measures. Quantile measures range from below 0Q for skills like compounding set quantities to above 1400Q for skills like modeling using trigonometric functions. The higher the Quantile measure, the more difficult the material. By identifying which mathematics concepts are present in math materials, we know how difficult those materials are and can assign a Quantile measure.

What is The Quantile® Framework for Mathematics?

The Quantile Framework for Mathematics uses the same scale to measure both the math skill level of your child and the difficulty of the math materials they encounter. The Quantile Framework reports your child's mathematical ability, as well as the difficulty of math material, as Quantile measures.

How do Quantile measures help promote learning?

Quantile measures identify the math materials your child is ready to learn. Because Quantile measures can be used to determine which skills and concepts build upon one another, they can help you pinpoint a particular skill a child is struggling with or provide guidance on skills to which the child should advance. Quantile measures also help monitor growth over time towards college and career readiness (1350Q) and beyond.

Dear Parent/Guardian,

Summer is a great time to support your child's reading progress! Students who don't read much over the summer show a decline in reading performance from the end of one year to the start of the next. Reading over the summer can help your child maintain the reading gains they made during the year AND also help prepare them for next year!

Here are a few simple ways for you to help:

1. Create your free Parent/Guardian account on ReadWorks.org

ReadWorks is a nonprofit that provides educators with thousands of free, high-quality nonfiction and fiction articles with questions and activities. ReadWorks is inviting you - all parents & guardians - to create your own free account to help your child stay on track this summer, and all year round!

1. Go to www.readworks.org
2. Click on "I'm an Educator" (parents are educators too!)
3. Click on the blue "Sign Up"
4. Make sure to choose "Parent/Guardian" as your role

2. Print Free Summer Reading Packets Now - www.readworks.org/summer-reading

To make summer reading easy, ReadWorks has curated interesting and knowledge filled summer reading packets on a range of levels that you can print and download for free!

Keep these tips in mind when using ReadWorks this summer:

TIP 1: Summer reading should be accessible and enjoyable, so be sure to choose articles that are at your child's reading level. Don't be afraid to start with articles from lower grade levels. The important thing is that students, read, read, read!

TIP 2: Aside from giving your child access to these high-quality texts, helping them keep track of their summer reading and discussing what they've been read with family members can also go a long way!

I hope you and your family have a great summer!

LAST CHANCE!!!

TIS YEARBOOK ORDERS

Did you miss out on ordering a TIS yearbook. We have about 40 copies available on a first come, first served basis. If you would like to purchase a yearbook, don't delay. **The cost is \$18.00 per book.**

To secure your order, print out this form, and turn it in to your child's teacher accompanied by a check (or cash) for \$18.00.

Checks must be made to TIS SAA. Yearbooks will be handed out on Wednesday, June 20th.

Any questions can be directed to Kristen Grabowski, TIS Yearbook Club Adviser, at kgrabowski@tolland.k12.ct.us.

June 5, 2018

Dear 3rd grade Parent/Guardian:

Next week some members of the 4th and 5th grade Bands will be visiting the 3rd grade classrooms for some “up close” band instrument demonstrations.

If your child is interested in learning to play a band instrument next year, **please fill out the instrument selection sheet** attached to this notice and **return it to TIS to my attention by Monday, June 18th**. I will try to honor the student’s first choice of instrument. However, it is of the utmost importance that there is a properly balanced instrumentation in the band.

There are several area music stores who rent band instruments on a trial basis. For your convenience, these two particular companies have reps who stop at TIS during the school year weekly. Please contact them directly for instrument rental information and check out the pricing to comparison shop. Online rental is available 24/7. The rental money goes towards the purchase of the instrument if you choose to purchase in the future.

Gerry’s Music Shop 1-800-724-7402 Website: https://www.gerrysmusicshop.com/rentals	Music & Arts 1-888-731-5396 or Vernon store 860-648-9178 Website: https://www.musicarts.com/rentals
---	---

If you own a previously used instrument in the family, this may be a convenient method for providing an instrument. Please be sure that it has been serviced recently and is in good playing condition. It can be very frustrating for a beginning instrumentalist to try to play an instrument that is in need of repair.

There will be an **important informational meeting on Tuesday September 4th, at 7:00 P.M. in the TIS APR.** This meeting will be for the parents/guardians of your brand new fourth graders! At this meeting I will outline band expectations and answer any questions. There will also be representatives from music stores who will review the instrument rental process. Students are invited to come. We will have all the instruments set up.

Joining the TIS Band is a refreshing, creative opportunity for all. The amazing journey of learning an instrument is a truly unique experience.

I look forward to answering any of your questions!

Mrs. Norma Marchesani nmarchesani@tolland.k12.ct.us 860-870-6885 x 40226

Please return this page to Mrs. Marchesani by Monday, June 18th

Band Instrument Selection Sheet

Tolland Intermediate School

Student's Full Name: _____

I give my child permission to participate in the Tolland Intermediate School 4th Grade Band Program. I understand that it is my responsibility to provide my child with an appropriate instrument, a cleaning kit and the red Standard of Excellence Book 1.

Parent/Guardian Name

Signature

Email Address

Phone Number (best)

Choice #1 – choose flute, oboe**, clarinet, alto saxophone, tenor saxophone, trumpet, french horn**, baritone horn, trombone and percussion (xylophone/bell kit and drum practice pad; TIS concert band does not include drum set). ** Private lessons for oboe and horn are most highly recommended.

The instrument I am most interested in learning to play is the _____

because _____

_____.

Do you already own this instrument? _____ Yes _____ No

Choice #2 (students who do not put a second choice may be assigned any instrument)

The second instrument I am interested in learning to play is the _____.

Do you already own this instrument? _____ Yes _____ No

____ **SCHOOL INSTRUMENT** - Please check here if you would like to be considered to use a school instrument. School instruments that are available are mostly trombone and baritone. Criteria used for the distribution of these instruments is based upon student financial need and recommendation from TIS music teachers in regards to the student's work ethic and responsibility.

Please return this page to Mrs. Marchesani by Monday, June 18th

Make an informed decision.

If you are interested in playing an instrument, please be sure you can answer the...

THREE BIG QUESTIONS:

- 1.) What does it sounds like?
Choose an instrument that has a sound that inspires you.
- 2.) How do I make it work?
Choose an instrument that you can handle.
Think about your arm length and the size of your fingers.
- 3.) What is its role in the band?
Choose an instrument that has a part in the music you are interested in playing. Melody, Harmony, Bass Line, Percussion (please remember percussion students learn the xylophone first)

An important note to parents and students:

Choosing an instrument is a commitment. Please decide for yourself what instrument will fit you best. Just because there is an old instrument in the attic doesn't mean it is the right instrument for you. Also, just because

a friend is choosing a certain instrument doesn't mean it's the right one for you. Think for yourself. Remember to discuss the three questions when making this big decision.

"Free Summer Meals will be available for all children 18 and under in locations near you. Please call, text, or go online to find out where and when!"

SUMMER 2018

FARM DAY 2018

Don't miss this end-of-summer tradition held at the Fish Family Farm in Bolton. Children of all ages will love the farm animals, hayrides, games, live musical performances, vendor market, and all the farm-fresh ice cream you can eat! Special thanks to Don & Sharon Fish and the Fish Family Farm for inviting us back.
Saturday, September 1 9:00am-5:00pm; (Rain Date: 9/8)
Admission (Ages 2+): Members \$8, Non-members \$10

BRONX ZOO

Call now to reserve your seats for our popular bus trip to the Bronx Zoo. Your "Total Experience" ticket includes admission to special attractions including the Children's Zoo, Jungle World, 4D Theater, Bug Carousel, Congo Gorilla Forest, Wild Asia Monorail, Zoo Shuttle and more. We will offer kid-friendly movies and activities on the on the luxury coach bus, but people of all ages are welcome on this trip. We will be depart from the Spencer Street commuter lot at 8:00 AM and will return at about 6:00 PM.
Saturday, June 23
Members \$60; Non-members \$70

TOUCH-A-TRUCK & OPEN HOUSE DAY

We will be one of many sites celebrating Open House Day across Connecticut. The Lutz Children's Museum will offer free admission all day and a variety of big trucks outside for the hours between 12:00 - 3:00 PM. To find out more about events statewide visit www.ctvisit.com. Come and join the fun! Free Admission!
Saturday, June 9

DOG DAYS OF SUMMER

Long hot days getting you down? We that we definitely put a smile on your face: Puppies! Each day a different organization will visit the museum with real dogs. We will meet the dogs and learn about what makes them special. Some may have an important job in law enforcement or assisting someone with a disability; others may do tricks or have a special skill, some might even be looking for a forever home. You may also learn something learn something about your own best friend, or make a treat to bring home to him too. Check our website or Facebook page for a daily schedule. This program is free with museum admission (or completely free to museum members)!
Friday, August 17 & Saturday, August 18

SPECIAL MEMBER BENEFIT

Our members will receive free admission at the Connecticut Trolley Museum in East Windsor during the months of July and August. Just show your membership card. Another good reason to join!

VOLUNTEER NEWS

Our featured volunteer opportunity this edition is Farm Day. Our biggest event of the year requires hundreds of volunteers. We are seeking individuals and groups to lend a hand at the farm on September 1. Please ask your friends, work group, church organization, sports team, band, social organization, or fraternity to join you. Working together at Farm Day is a lot of fun and a great team building exercise. Contact Leslie Strano (lstrano@lutzmuseum.org) or Kate Morrissey (kmorrissey@lutzmuseum.org) for more information.

Summer Classes at LCM

Classes are free with admission but they are on a first come first serve basis, so please arrive on time! Please dress your child in play clothes since many activities will be messy. Parents are not required to stay for classes, unless otherwise noted. Please advise us if your child has any food allergies.

TODDLER

ages 2-3
with caregiver

Blue Planet

Earth's five oceans are substantial and salty. Together we will take time to investigate the fish, reptiles, and mammals that breathe underwater. Afterwards, we will discover the difference between saltwater and freshwater animals.

Thursdays: June 7, 14, 21, 28..... 10:00-10:30AM

North American Mammals

Late summer is here and animals are active tending to their young, finding food, and building shelters. Many of these animals are colorful, rambunctious, but most of all furry! In each class we will determine what defines a mammal and even meet a few representative museum residents.

Wednesdays: August 15, 22, 29..... 10:00-10:30AM

Express Yourself

Get ready to make silly faces, wiggle your arms, stomp your feet, and make art as we learn about famous Expressionist Painters from Germany and America. Each class we will look at a famous painting and explore creative and interactive ways to remember it.

June 1, 8, 15, 22..... 2:15PM

July 3, 5, 17, 18, 19, 20..... 2:15PM

August 1, 2, 3, 7, 8, 9, 10..... 10:00AM

SCHOOL AGE

ages 5-10

Blue Planet

Seventy-one percent of the Earth is covered with water. Of it, ninety-six percent is held in our five oceans. Yet, these waters remain the most unexplored areas on Earth. Let's do our own exploration, examining different aspects of marine life including problems that oceans face.

Thursdays: June 7, 14, 21, 28..... 2:00-2:45PM

Ecology Exploration

Everything on Earth is connected. Predators, prey, plants, and even soil are integral parts of the environment. In this series, we will inspect how living organisms interact with their non-living counterparts in order to thrive or die out in the wild.

Thursdays: July 10, 11, 13..... 2:00-2:45PM

Discovery Nature Walks

Wednesdays, June 13, 20, 27 — 10:00-11:00AM
at the Oak Grove Nature Center

Explore Oak Grove Nature Center's 52 acres of trails and wildlife during this interactive nature hike. Follow a museum educator across a covered bridge and along a pond to discover how plants and animals adapt to Connecticut's weather and climate. Open to all walkable ages.

Not recommended for strollers. This series will be held rain or shine so please dress appropriately. This program is free to members.

Non-members can show a receipt for same day admission to the museum and take the guided walk at no additional cost.

PRESCHOOL

ages 3-5

Blue Planet

Dive into a world of mystery. Our oceans are far from being completely explored, but together we can learn about the whacky and unusual animals that live there. Then, let's compare our findings to animals that live on a smaller level such as ponds, lakes, and rivers.

Thursdays: June 7, 14, 21, 28..... 11:00-11:45AM

North American Mammals

Believe it or not, North America is more than just the hills and trees we often see in Connecticut. Unique mammals roam across coastal shores, mountains, and deserts while only using their instincts to survive. Together, we will uncover what characterizes a mammal while reading stories, studying artifacts, and petting real live mammals.

Wednesdays: August 15, 22, 29..... 11:00-11:45AM

Express Yourself

Art making is a wonderful time to explore our feelings and emotions. We will talk about our feelings, practice facial expressions and paint, collage, build, dance and sing this summer. This series will introduce the work of German Expressionists and the American Abstract Expressionists that followed them. Each class will introduce a famous painting and an interactive way to remember it.

June 1, 8, 15, 22..... 3:00PM

July 3, 5, 17, 18, 19, 20..... 3:00PM

August 1, 2, 3, 7, 8, 9, 10..... 10:30AM

North American Mammals

Mammals that we see in Connecticut can greatly vary from the mammals we see in Texas or Alaska. Let's establish what defines a mammal physically and internally, no matter what part of the continent they call home.

Wednesdays: August 15, 22, 29..... 2:00-2:45PM

Express Yourself

Paint, Collage, Build, Dance and Sing during our summer art classes. We will be looking at artwork from the German Expressionist and American Abstract Expressionist Movements. Each class will introduce the work of a famous artist and an interactive way to look at and interpret the artwork. In addition to art making we will make lots of funny facial expressions and talk about our feelings.

June 1, 8, 15, 22..... 4:00PM

July 3, 5, 17, 18, 19, 20..... 4:00PM

August 1, 2, 3, 7, 8, 9, 10..... 11:00AM

Connecticut Trails Day

Saturday, June 2 — 1:00-2:00PM

Time to hit the trails! Join the LCM, and the rest of Connecticut, for a relaxing walk in the woods. Travel around Oak Grove Nature Center's 52 acres, guided by a museum educator.

We'll take a close look at the wildlife right in our own backyard!

Not recommended for strollers. Please dress appropriately for the weather as the walk will be held rain or shine. FREE FOR EVERYONE!

FAMILY CAMPOUT 2018

Are you an avid camper or are you hoping the kids will never ask for a night under the stars? That's okay. Everyone is welcome and we will help each other out.

Meet at Gay City State Park in Hebron, where the kids will have a blast playing in the water, fishing, or hiking. The museum will provide dinner on Friday night. Kids can play until it gets dark and then we will meet around the campfire for a singalong and storytelling.

Saturday meals are on your own but we encourage everyone to bring enough to share and trade. Museum staff will organize some fun activities or just relax and take it at your own pace. We meet back at the campfire at sunset for songs and s'mores.

Let us know if you have any extra camping equipment to share or if you need to borrow anything. We will try to make connections between those families. Cost is only \$10 per person for everything, but we do need an accurate headcount. Please call the museum to make your reservation. This will be an experience that your family will always remember.

UPDATED BIG Y EDUCATION EXPRESS POINTS FOR TOLLAND INTERMEDIATE SCHOOL:

Tolland Intermediate School
School ID: 7768

Your points have been deposited in the Big Y Education Express program.

Points will be deposited weekly, on the www.BigYEducationExpress.com site. In addition, we also update your customer count information, which is the number of shoppers linked to your school. To view your deposits, see customer count or place orders, you must login using your School ID and your permanent password you assigned.

As of 5/24/2018 your school has:

- Earned a total of 60,450 Education Express points
- 60,450 Education Express points are currently available
- 73 shopper(s) have designated your school to receive their points

Thank you for your support of Education Express!

TOPS Soccer

Fall 2018 Recreation Program

We are recruiting a volunteer coach to work with our TOPS Soccer Division soccer players. TOPS Soccer is the name given to the youth soccer division within our recreation program for players with physical and mental disabilities.

The Tolland Soccer Club is celebrating its 21st consecutive season of TOPS soccer for children ages 4-19 years old. We are seeking an assistant coach to join our program. Over the last few years, we have had over 50 buddies and approximately 50 players participate in TOPS. The players come from Tolland and surrounding communities. Coaching is a great opportunity to help out your community and support kids that want to play soccer in a fun and non-competitive environment.

Soccer coaching experience is not required; just a big heart, and strong desire to help children achieve their dreams. We would be honored to have you join us as a coach this fall.

Please contact Jeff Gallagher at 860-375-8676 or jgallagher@ucctolland.org or Lisa Bowden at 860-729-8466 for more information.

TOPS takes place on either Tuesdays or Wednesday evenings from 5:45-7:00pm and Saturdays from 8:45-10:00am. The season lasts from September to the first weekend of November.

*Have a safe and fun
summer!*
