It is hard to believe that another school year is almost finished. I am so proud of the academic growth our students have made in reading and math. This year's grade 8 promotion will take place on June 17th at 9:30am. This is a special one because these eighth graders were the first kindergarteners when our Prek-8 school opened. Thank you for your support and commitment to your child's education. Our last day of school is June 21st with a 12:00 dismissal.

Have a safe and happy Summer!

Miss Renna

# Congratulations to the Carrington winners of the Silas Bronson Poetry Contest!

# SUMMER READING

**Dear Parents/Guardians,**

**Summer is almost here! Research has shown that summer reading is very important. It has been proven that kids who read four or more books over the summer are better prepared for the coming school year. Reading over the summer months really does make a difference to your child's learning.**

**Below are links to different reading challenges you can have your child participate in during the summer vacation. Although they are not mandatory, they can help increase reading and learning skills during the summer break.**

**Have a great summer and happy reading!**
