

# Explore Pattern Blocks

Materials needed: Pattern Blocks

**Let's explore  
pattern blocks.**

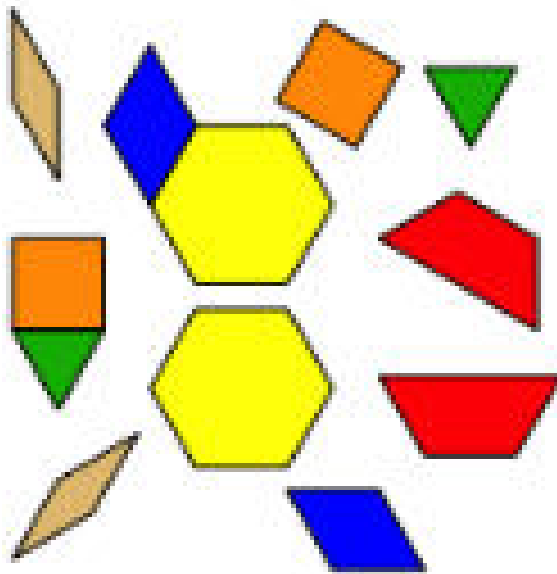

# Warm Up: Notice and Wonder

What do you notice?

Tell your partner what you noticed.

What do you wonder?

Tell your partner what you wonder.

# Warm Up Synthesis

What is one thing that you think you could do or make with the pattern blocks?

# Activity 1 Explore Connecting Cubes

Let's explore pattern blocks.

Think about what you want to do or make with the pattern blocks.

**10:00**

# Activity 1 Synthesis

Let's share.

What is one thing you did or made with the pattern blocks?

# Lesson Synthesis

Today, we explored pattern blocks and you explained to your partner what you were doing with the blocks. Let's add to our chart from yesterday about what doing math together looks like.
