

Mrs. Brandt's
6th Grade

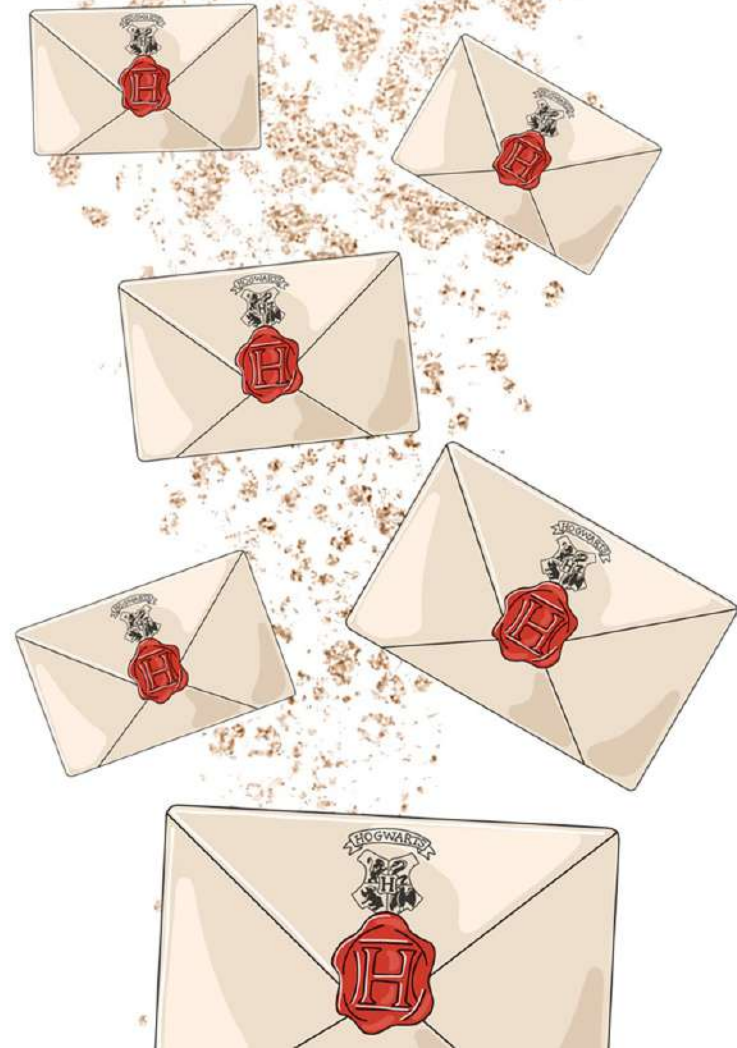

Welcome!

About Me!

I am entering my 11th year of teaching and my second year at Mountain View. I am married with one son. He is three and full of energy. My family loves the outdoors and adventuring together around our beautiful state.

Contacting The Teacher

There are three ways to contact me. My favorite way is by using the app Class Dojo. This free app allows you and I to text back and forth. I find this is the easiest way to communicate since I can talk to you throughout the day. Look in your folder for login information on that app. You may also email me or call.

If you have any questions please see the special teacher specifically.

If you need help reaching them please let me know.

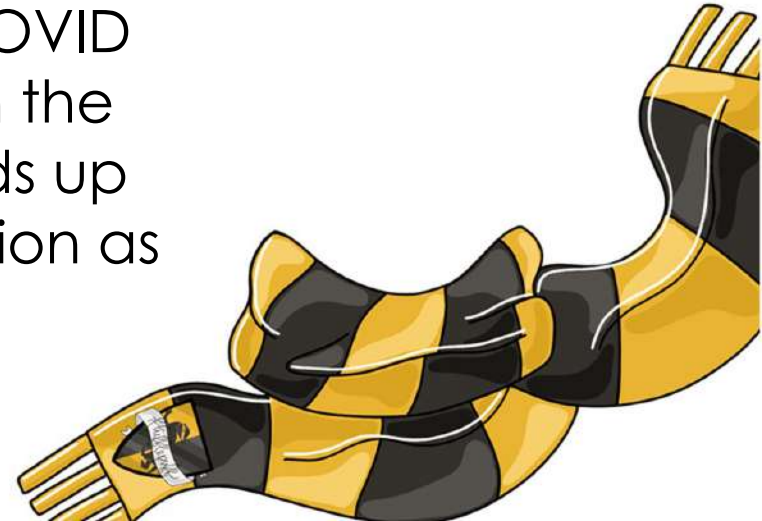

MAPs and SBAC

Testing is not fun for the kids but it is essential for us as a school and district to better our instruction and help the students achieve. I will be sending home dates of testing. Please try to ensure your student is present.

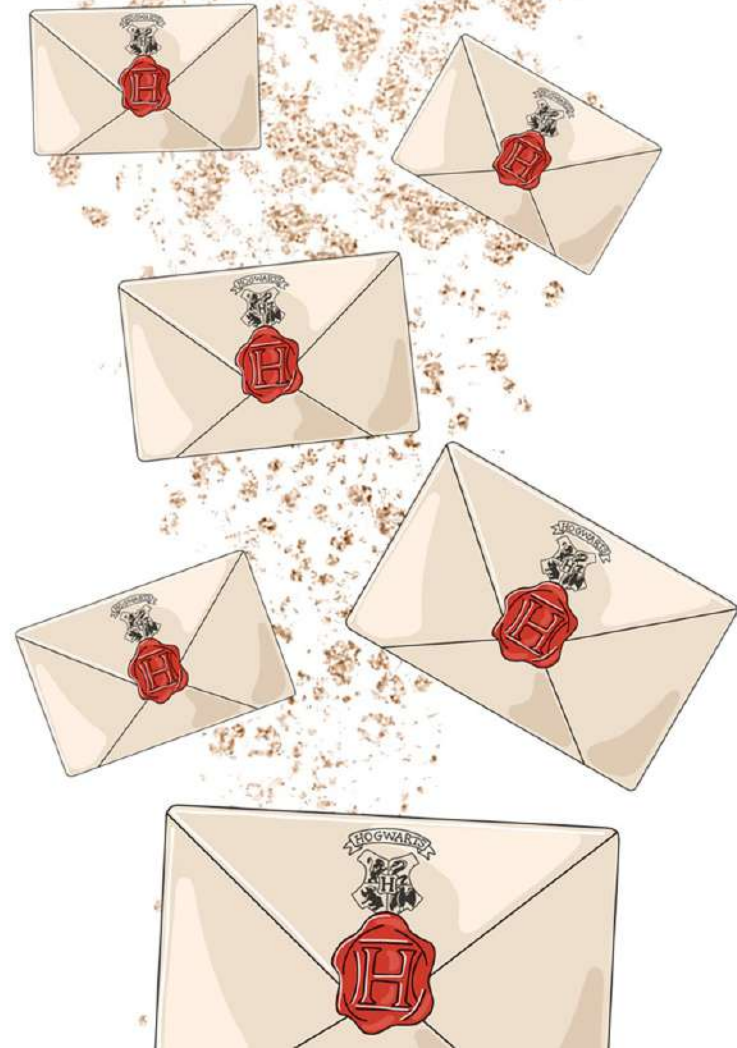

Attendance:

Unless your child is sick please have them attend school. Attendance is so important especially with COVID messing up our school years in the past. We want to catch the kids up and give them the best education as possible.
