Physical Education

- PK – 8th Physical Education requirement may be completed outside the district. Ask your teacher for a waiver.

- 9-12th may also receive a graduation credit with certain outside activities. Ask your teacher for requirements.

- Examples: dance, YMCA athletics, etc.

Proctored Assessments

- Shawnee Virtual School may ask any student to complete exams in person. This is necessary for some NCAA athletes, certain state and national test requirements, and other specific state accreditation requirements. You will be given options and ample notification when this is necessary.

Technology

- Devices will be distributed immediately following this orientation.

- Hotspots
  - One per family checked out to the youngest student in the family.

- If you experience technical problems, students may contact their teachers or, if needed, the Virtual Coordinator to schedule an appointment for assistance.

Food and Nutrition

- Shawnee Public Schools will provide breakfast and lunch for our virtual students. Stop by the food service table during your technology check out time. All interested families must RSVP for meals by filling out the required form. Pick-up times and locations are listed on the RSVP Meal Form.
