# Title I

## Parent and Family *Engagement*

The Appling County Parent & Family Engagement webpage provides information and resources to assist families with helping their children increase their academic achievement. This webpage also provides families with Title I information and opportunities for feedback. Appling County Elementary Complex, Altamaha Elementary School, Fourth District Elementary School, Appling County Middle School, and Appling County High School are school-wide Title I schools. Families are invited to provide suggestions and ideas to improve our Title I programs and plans. Together...we can make a difference!

As a part of Title I Program, all schools in the Appling County School System are provided with Parent and Family Engagement Coordinators to assist in keeping parents/families engaged in their child's education.

### Parent and Family Engagement Plan Survey

As we continuously seek to improve Parent and Family Engagement in the Appling County School District, we want to know how well the schools and the district are doing in meeting the needs of families. By completing this survey, you will help evaluate the effectiveness of our Parent and Family Engagement Program. All information provided is confidential and will be used to assist with future planning for parent and family engagement activities and events in the district and schools. Your opinions and suggestions are valuable, and we thank you for your time to complete this survey.
