Block Scheduling

- Center Grove High School operates on an 8-Block Schedule
- 7 classes and a study hall meet every other day.
- Students have an assigned STAR (student, teachers, and relationships) class. Meets 30 minutes every day.

Grading Scales and GPA

- Regular Courses see point values in Academic Guide
- Honors/Weighted Scale
 - Honors courses require significantly higher academic achievement and work levels.
 - Provide for grades earned to be weighted for determining GPA and Class Rank.

Grading Scales and GPA

High school credits are awarded for passing grades earned at the end of each semester.

GPA GRADE CALCULATION

Regular Courses

The following chart illustrates the value given each grade in regular courses:

GRADE	GPA PTS	GRADE	GPA PTS
A	4.00	C	2.00
A-	3.67	C-	1.67
B+	3.33	D+	1.33
B	3.00	D	1.00
B-	2.67	D-	.67
C+	2.33	F	0

Honors/Weighted Courses

Center Grove High School offers selected courses that require significantly higher academic achievement and work levels. These 'weighted' courses provide for the grades earned in that course to be weighted for purposes of determining GPA and class rank. Additionally, these courses are identified on transcripts with an "*" as part of their course title. These courses are identified in the course descriptions with the designation "(CP/WEIGHTED)".

Page 5

WEIGHTED SCALE FOR 2010 AND BEYOND

GRADE	GPA PTS	GRADE	GPA PTS
A	5.00	C	2.50
A-	4.59	C-	2.09
B+	4.16	D+	1.66
B	3.75	D	1.25
B-	3.34	D-	.84
C+	2.91	F	0

Semester Grading Calculation

Final semester grades are computed using a formula based on the nine-week grades and the semester exam, using the non-weighted numerical equivalents. **Each nine-week grade is counted as 40% of the semester grade; the semester exam is counted as 20% of the semester grade.**

As an example, a student who earns a B+ in the first nine weeks, a C+ in the second nine weeks, and a B on the final exam would have a semester grade computed as follows:

Honors Courses

- Preparation for Advanced Placement (AP) and college-level work
- More critical thinking
- More intensive reading and writing assignments
- Self-discipline and motivation is necessary
- Good organizational skills are important
- Look at label-Must be recommended
