

MBHS Key Club Application Form

“Caring--Our Way of Life”

About Us:

Key Club International is the oldest and one of the largest service organizations for high school students. It was founded in 1925 and is associated with Kiwanis International. Key Club International’s Major Emphasis theme is “Children: Their Future, Our Focus” and their motto is “Caring--Our Way of Life.”

Are you interested in joining our service organization? Mountain Brook High School Key Club is active in service, helping many organizations throughout the school year. Members are required to complete 8 hours of Key Club related service every 9 weeks. Many worthy students apply for MBHS Key Club and we can not take them all. The number of new members varies from year to year depending on the number of seniors leaving and the number of students who have decided to no longer be a part of Key Club. We are committed to keeping membership between 90-100 students (approximately 33 students per grade level).
