Dear Parents,

The Lions Club will be at our school district performing free vision screenings as a part of the **KidSight program**, funded by the Connecticut Lions Eye Research Foundation! This screening program is available for all of our students 9<sup>th</sup> through 12<sup>th</sup> grade. The Lion's Club volunteers use a special camera to scan the eye, checking for **possible** vision problems. Results of the screening will be sent home to parents. The screenings will take place for GHS students December 3, 4 and 5, 2018.

If you **DO NOT WISH** that your child participate in this free service, please print out and sign below:

I, \_\_\_\_\_, (please print) **DO NOT grant permission** for my child,
