## Oregon's Kindergarten Assessment

### Welcome to Kindergarten!

Entering Kindergarten is an exciting time! A strong start in kindergarten can contribute to success throughout school.

During the first few weeks of kindergarten, your child will participate in Oregon's Kindergarten Assessment. As a parent/guardian of a young child, you know your child best.

The Kindergarten Assessment is one way for your child's teacher to learn about some of the things that your child already knows and is able to do.

**You are your child's first teacher!**
