Kindergarten
Virtual Orientation

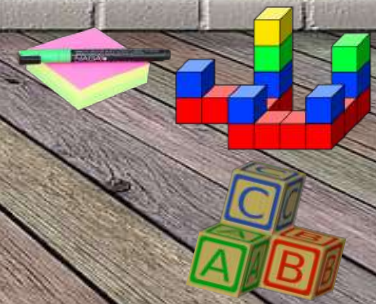

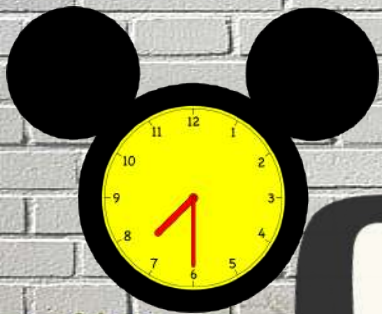

All About Me!

- 8th year teaching in the district
- Passion for reading and writing children's stories
- Married with twin seven-year-old boys
- Love for all things Disney

Mrs. Baldissero

Hi!

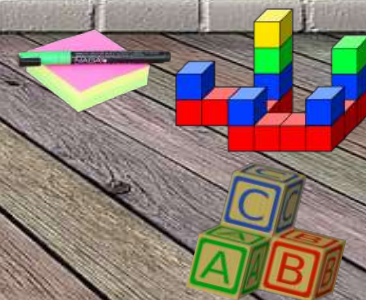

Welcome To Kindergarten!

Together We Will:

- Establish Routines
- Enjoy Positivity Everyday
- Practice Handwriting
- Establish A Love For Reading
- Learn Mathematics
- Have Fun

Mrs. Baldissero

Virtual Learning

School Start Date:
September 8, 2020

School Building Hours:
7:30 am to 2:30 pm

Student Supplies and Laptop Distribution:
Will be announced by the first week of September.

ONLINE LEARNING

All students will receive “Virtual Take Home Kits”. These kits will be specific to their grade level and will provide the materials needed during remote learning as well as during the hybrid model (once we begin to transition back into face to face learning). It is important to keep these supplies together as some may be utilized in class as their own personal supplies to avoid sharing of certain materials.

Our Classroom

Welcome to Room B-7

A schedule for all remote learning will be provided to parents after the Board of Education Approves the plan at the Board of Education Meeting on Wednesday, August 26th.

OUR CLASSROOM

It will be sent out through email. Please make sure you email is updated in PowerSchool.

Digital Platforms

Seesaw is a Learning Management System that creates a powerful learning loop between students, teachers and families. All students will submit work for each subject area through Seesaw. Information, including video tutorials on how to use Seesaw, will be available on the website.

- * Students Show Learning
- * Teachers Gain Insight
- * Families Connect

In conjunction with the Eureka Math Curriculum, **Zearn** will allow students to complete Digital Activities that are short, engaging, and aid the development of kindergartners number sense.

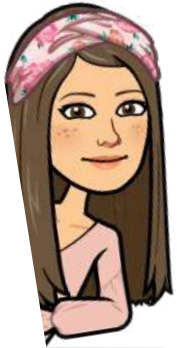

RazKids is a digital library for students to practice reading. Students will read a book, listen to a book, and take a quiz.

THIS IS GOING
TO BE GREAT!

Remember To:

stay 
healthy
helpful
& calm

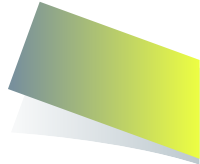

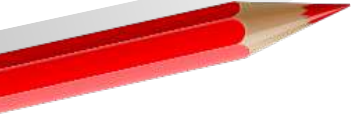

WEAR YOUR

MASK

wash
your
hands!

A cartoon illustration of the same girl from the first panel, now with her hands under a stream of blue water and soap suds. To her right is a blue soap dispenser with a pump and a smiling face.

SEE
YOU
SOON

Thank You!
