### Kindergarten - Mrs. Caligiuri, Ms. Radzimirski, Mrs. Signore, Mrs. Wolff

March is a very busy month! We will finally be talking about spring! We cannot wait to see the first buds on the trees! We will also be celebrating Dr. Seuss's birthday!! As we begin to go outside for recess, please keep in mind that it may still be cold. Please be sure to dress your child accordingly. Continue to practice all the know-by-heart words we have learned so far, as well as practicing to "tap out" words independently. If you have any questions or concerns, feel free to contact your child's teacher. As always, thank you for your continued support and keep up the good work at home. Happy Spring!

### Grade 1 - Ms. Capaldo, Mrs. Hamel, Mrs. Milkovic, Ms. Porcaro

Happy March!!!! Spring is just around the corner! This month we will continue to work with both our Wonders and Foundations programs. In Foundations we will be working on closed and open syllables along with vowel teams. Math students will continue to work on shapes and measurement. The Black History Month projects all came out wonderful! As a reminder please send your child to school dressed for the weather. As the weather beings to get warmer, we will be able to go outside more often. Also please make sure you are checking you child's folder and that he/she is reading every night.

**Grade 2 - Ms. Cigas, Mrs. Galanti, Mrs. Katrenya, Ms. Scalo**

Spring is almost here! In Reading, we are reading stories about animals, the earth and sky, and communities. In Foundations, we are focusing on the study of vowel teams. In Math, we are learning about number lines, geometry, and line plots. We are also reviewing story problems, and addition and subtraction within 200, using many strategies. Please remember to dress your child with a winter coat, hat, and gloves. Please read aloud daily with your child, and check your child's homework each evening for completion. Also, please check your child's ROARS behavior calendar daily.

**Grade 3 - Mrs. Gauvin, Mrs. Kitney, Ms. Marques, Mrs. Muratori**

Spring is in the air! It is wonderful that the weather is getting warmer and we can again have outdoor recess with the students. They enjoy that time with their friends. Please remind your children that the ROARS expectations need to be followed at recess too. This allows everyone to have a fun, safe place to play. It is still the 3<sup>rd</sup> marking period and we are working on many skills to prepare us for the Smarter Balanced testing. Students are expected to read every night for homework along with their weekly packet. Thank you for your support! Contact your child's teacher if you have any questions or concerns.

**Grade 4 - Mrs. Cassone, Mrs. Ferrucci, Ms. Osborne**

Smarter Balanced testing is just around the corner! Please continue to sign behavior charts daily, have students read 20 minutes per night (also reading aloud) and practice their multiplication facts. We want to show how much we know! Also, Unit 3's focus will be on decimals/fractions, and explaining the lessons and themes of stories. Thank you for your support of the fourth grade Tiger Team!

**Grade 5 - Mr. Bisailon, Ms. Dibella, Mr. Morrissey**

The grade 5 team will be heading to the Connecticut State Capitol in March for a field trip! Our grade 5'ers will be learning how museums in Connecticut (and elsewhere) help us to learn about and understand our state history. Our students will be able to explain about Connecticut's American identity and will learn why capitol buildings are trustworthy places to learn about state and federal history. We are excited to include this as part of our Social Studies lessons as students learn about the rights and responsibilities of being a citizen of the state and federal government. We are also prepping up for our Smarter Balanced testing which will be this spring. It is a busy time for our future graduates and we ask that you make every effort to get your child to school and that you're setting aside at least 25 minutes of silent reading time so that our students beat their goals. Thanks for your continued partnership!
