Dear Custodian of Records,

Pursuant to the Colorado Open Records Act § 24-72-201 et seq., I request that you make available for inspection and copying the following public records:

All records, emails, and correspondence in possession of District 51 and/or Fruita Monument High School pertaining to any past disciplinary actions imposed on William Johnson (also known as Billy Johnson) in his capacity as a teacher, sports coach, and/or faculty advisor to a student club in any District 51 school.

If you are not the custodian of records for this request, please forward this letter to the appropriate person or let me know which person(s) has custody of these records.

I request a waiver of all fees for searching or copying these records in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of a recent incident involving an altercation with a student at Fruita Monument High School in which KREX has reported on and continues to follow.

This information is not being sought for commercial purposes.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$100.00. Please set a date and hour, within three working days following receipt of this letter, at which time the records will be made available for inspection, as required by §24-72-203(2), C.R.S.

If access to these records will take longer, please cite the extenuating circumstances and let me know when I should expect copies or the ability to inspect the requested records.

I ask that records available in electronic format be transmitted by email to groth@krex.com.

If you deny any portion, or all, of this request, please provide me with a written explanation of the reason(s) for your denial, including a citation to each specific statutory exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

If you conclude that portions of the records that I request are exempt from disclosure, please release the remainder of such records for inspection and copying, redacting only the portion or portions that you claim are exempt.

Thank you for considering my request.

Sincerely,

Geoffrey Roth
