Expectations

Consequences

1. Come to school every day.
2. Complete assignments on time.
3. Pay attention in class.
4. Participate in class activities.
5. Maintain a clean and orderly work area.
6. Bring all of your supplies to class daily.
7. Follow all school rules
8. Ask for help when you need it.

1. **Warning:** teacher provides a verbal reprimand/reminder to student.
2. **Hole Punch:** student will receive a hole-punch on their monthly hole-punch card.
*Three or more hole punches on a monthly punch card will result in loss of Mega Fun Friday. (Look for monthly punch cards to come home in Thursday folders)
3. **Behavior Citation:** a mark recorded for poor conduct. Parent will be contacted.
4. **Referral to Administration:** a student will be immediately referred to administration for severe behavior problems.

GRADES

Your child's progress report will be sent home weekly via Thursday folders, so please make sure to go over it with your child and check for any re-do's or notes from me. Please sign and return on Friday. Parents and students are also strongly encouraged to check the **Illuminate Parent Portal** on a weekly basis to view the most current grades for every subject.

LATE / INCOMPLETE WORK

- My expectation is that **ALL** assignments be completed to a level of proficiency (**70% or higher**) and turned in on time.
- If an assessment is given in Math, Social Studies, or Science, but proficiency is not demonstrated, the assessment will be returned to the student and the work must be completed / redone with appropriate work and corrections clearly shown. The highest grade that can be achieved after this re-do is completed will be a C- or 70%.
- * Parents should expect to see any re-do's in the Thursday folders that will be going home weekly.

ABSENTEE POLICY*** YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT. ☺**

* It is the student's responsibility to check the class website or remind to see what work was missed. An absent memo will also be left on the student's desk providing information on what was missed.

* A student has the number of days he or she was absent to turn in any work assigned on a day a student was absent. If a quiz was administered on a day a student was absent, the quiz must be made up on the first day the student returns. If previously assigned work was due on the day of the absence, the work is due on the first day the student returns.

TECHNOLOGY

Chromebooks will be used daily in our class. Many class assignments, projects, and assessments will be completed digitally through the Google Classroom or online via our new Language Arts curriculum, StudySync, or via our Math curriculum, Big Ideas Math, and our Social Studies program, TCI. All classes will be available through the Clever website. Students are expected to abide by all school and district digital safety rules and guidelines. Failure to do so will result in said student being banned from technology while in class.
