

## **Distance Learning Week #1 Lesson Plan**

### **Brown: AVID 1**

#### **Assignment:**

1. Complete a Time Management weekly schedule based on the assignments that your teachers have given you for your other classes. Put the name of the class and what assignment you are completing in the time slot you are working on it.
2. Complete the Values Bracket
3. After completing the Values Bracket, write a one-page reflection on what you learned from the experience, what was difficult about completing it, and how does it relate to how you are living your life right now.
4. Work may be submitted on Edmodo, via email, or hard copy. My email address is [davbrown@tusd.net](mailto:davbrown@tusd.net).

#### **When you turn in your assignments you must have the following header on the work:**
