

Distance Learning Week #2 Lesson Plan

Mason: AVID 3

Assignments due: May 8th

Assignments:

1. Complete a Time Management weekly schedule based on the assignments that your teachers have given you for your other classes. Put the name of the class and what assignment you are completing in the time that you worked on it. **This will count towards your Organization category.**
2. Choose ONE of the following 3 social media platforms and complete the graphic organizer: Instagram, Facebook or Twitter. If your social media platform isn't one of these three, contact Mrs. Mason to get a different set of questions in order to answer this part. **This will count towards your Assessment category.**
3. Write a one page reflection of what you learned based on this activity (Did this make you question what you post, are you going to change anything from this point on, what did you learn about yourself, what did you learn about your friends, what effect does social media have on you etc). **This will count towards your Assessment category.**

When you turn in your assignments you must have the following header on the work:

Student Name:

Teacher Name:

Class Name/Subject:
