WRITING PROMPTS

Monday: From these past few weeks of school closure, what three things have you missed the most?

Tuesday: From these past few weeks of school closure, what are the three most important things (life lessons, new skills...) you have learned, besides information from school materials?

Wednesday: What are you looking forward to doing when school resumes?

Thursday: What are the three most important things to tell others about your experience with school closure?

Friday: If a situation similar to COVID-19 were to occur in the future, what are three ways that our society (government, schools, religious organizations, hospitals, businesses, etc.) could do to be better prepared?

MATH

Each day we will have assigned math pages to be done just like a normal day in our classroom. Some students may be ahead on math which is great!! We will be getting all caught up together. Below are the assignments for Mr. Link's, Mrs. Little's, and Mrs. Gardner's classes. Under that is the schedule for Mr. Sheehan's class.
