It is with great excitement that I write this letter of introduction to you as the Superintendent of Ganado Unified School District and invite the students back to a new school year. Ganado Unified School District will start the new school year on August 3, 2021 with an A/B schedule until after Labor Day (September 7th, 2021). We will be dividing those students that choose to attend school in-person in an "A" Group and a "B" Group. Students in the "A" Group will attend school on Mondays and Thursdays while "B" Group will attend Tuesdays and Fridays. All students will remain remote on Wednesdays. All school teachers will be on campus every day of the week and available for the students. If parents choose to have their students entirely online, they will remain online for the entire semester. The district has done robocall messaging with this information, as well as emailed the information out to stakeholders. For those student in grades 6-12 will use solely Edgenuity online curriculum. For those students in grades K-5 will have a packet delivery system in place. If the students are attending school physically, they will be given work for their remote learning day, which will be on Wednesdays. We are working effortlessly to ensure the buildings are safe for the student's return.

For the First week only (August 3-6, 2021), we will be working off a modified schedule as follow:

- Tuesday "A" Group August 3rd, 2021
- Wednesday "B" Group August 4th, 2021
- Thursday "A" Group August 5th, 2021
- Friday "B" Group August 6th, 2021
