

Cells Prezi Rubric

Hoffman's Life Science

Animal Cell Image _____

Cell Membrane

Name _____

Functions _____

Image _____

Nucleus

Name _____

Functions _____

Image _____

Nucleolus

Name _____

Functions _____

Image _____

Nuclear Membrane

Name _____

Functions _____

Image _____

Vacuoles

Name _____

Functions _____

Image _____

Mitochondria

Name _____

Functions _____

Image _____

ER (Endoplasmic reticulum)

Name _____

Functions _____

Image _____

Ribosomes

Name _____

Functions _____

Image _____

Golgi bodies

Name _____

Functions _____

Image _____

Animal Cells continued:

Lysosomes

Name _____

Functions _____

Image _____

Cytoplasm

Name _____

Functions _____

Image _____

Plant cell Image _____

Cell wall

Name _____

Functions _____

Image _____

Chloroplasts

Name _____

Functions _____

Image _____

Chlorophyll

Name _____

Function _____

Image _____

Vacuole

Name _____

Function _____

Image _____

Your prezi must move from organelle to organelle smoothly without fail. You must also include any nicknames discussed in class during our discussion times.

Nicknames given to discussed organelles 20pts
