Many Paths, One Destination: Nursing!

Different Types of Nursing Degrees

Associate Degree of Nursing (ADN)

- Two years of education that fulfills the requirements to become an RN
- This degree is offered by Community Colleges

Bachelors Degree of Science in Nursing (BSN)

- Four years of education that fulfills the requirements to become an RN. More general education and a wide range of nursing specialties
- This degree is offered by 4 year Universities

ENC RIBN Curriculum

- Year 1 – ENC RIBN students complete general education courses for both the Associates and Baccalaureate degree programs and are concurrently enrolled in the designated community college and ECU
- Year 2 – ENC RIBN students enter the two-year Associates Degree program at the Community College year 2 fall semester and remain concurrently enrolled at ECU
- Year 3 – ENC RIBN students complete the ADN and NCLEX-RN is successfully completed
- Year 4 – ENC RIBN students complete a BSN degree

Advantages of the ENC RIBN Program

- Automatically accepted into nursing school at the Community College and ECU as a senior in high school!
- Get an ADN and BSN in 4 years
- Graduate from a Community College and ECU
- Can utilize services at both institutions (libraries, computer labs)
- Student Success Advocates
- Individualized advising and support throughout the program
- Designated counselor available for support in the nursing programs
- More economical way to obtain a BSN degree

Tuition Comparison Estimation

RIBN Student	Traditional ECU Student
Tuition total for RIBN: \$14,174	Tuition total for ECU on campus student (4 years): \$28, 568

Other costs for on-campus students:

Dorm: \$5366 (per year)

Meal plans: range in price from \$651 - \$2015 per semester
