### A Note from the Teacher

June is a favorite month for the students. They are thrilled that the school year is winding down and the weather is getting warmer. Students are enjoying their swim program at the Percy Walker Pool and are looking forward to their field trip and Field Day. They have made such tremendous progress this year and have contributed to so many unbelievable and wonderful experiences.

### June Birthdays

Colton, Angus, Lucy

### Language Arts

Students have enjoyed their historical fiction book choices, and some have started on a second one. Our writing continues to focus on responding to texts.

### Math

Students have finished with analyzing patterns, are working on some "Step up to Fifth Grade skills," and revisiting some of the foundational fourth grade skills.

### Science & Social Studies

Students continue with Life Science with a focus on internal structures of animals and adaptations. We have finished up with our U.S. Regions and will be exploring our neighbors to the North, Canada.

### Important Reminders
