Various Science Activities

<http://www.bbc.co.uk/schools/ks2bitesize/science/>

ZOOM into Science with ZOOMsci at PBS!

Find exciting ideas for all your science needs.

Do the activities as seen on TV or send in your own.

<http://pbskids.org/zoom/activities/sci/>

Steve Spangler Science has experiments to fit your inquiring minds. Check out some today. You might find just the right thing

for your next student fair project.

<http://www.stevespanglerscience.com/experiments/>

PBS Kids has a place for you, Dragonfy TV! Tune in to this site for more games, experiments, or watch a video clip about real living scientists.

<http://pbskids.org/dragonflytv/play/index.html>

Funderstanding Roller Coaster!

It is your mission to design the coaster so that you can achieve maximum thrills and chills without crashing or flying off the track.

<http://www.funderstanding.com/k12/coaster/>

Science Buddies is your pal for finding science fair ideas (over 700 to choose from) or getting the latest Science Buddies New.

<http://www.sciencebuddies.org/>

Science News for Kids Offer timely items of interest to kids, accompanied by suggestions for hands-on activities, books, articles, Web resources, and other useful materials.

<http://www.sciencenewsforkids.org/>

EurekaAlert! Science for Kids Portal A central, online source for kid-friendly science news and resources.

<http://www.eurekaalert.org/kidsnews/>

TIME for KIDS Check out the homework help areas: research (all subjects), writing, and world places. View current and past issues of Times for Kids. Read current event news and play games.

<http://www.timeforkids.com/TFK/kids>

Kids Click gives you tons of choices for **all areas of science**. Go ahead give it a click!
