Pacing Guide Introduction

This pacing guide outlines the *sequence* and *duration* in which the English-language arts (ELA) content standards should be taught for grade eight. As this is a standards-based pacing guide, the ELA content standards drive instruction rather than the literature; this guide dictates when the standards are to be covered, yet allows the classroom teacher the choice as to *how* and *to what extent* he or she brings students to mastery of the standards. As such, the pacing guide *suggests* the required and optional texts along with the minimum writing requirements with which the standards can best be taught.

Minimum Required Writings

In eighth grade, each student is required to write four formal essays (essay assignments that utilize all phases of the writing process) and two in-class timed essays (timed writes). Each essay assignment should be literature-based and must be assigned with a writing prompt and scoring rubric. Although the pacing guide suggests when each requirement can be assigned, each teacher can choose when, how, and the extent to which students will master the writing standards below.

Semester One Requirements:

- WA 2.2 Response to Literature
- WA 2.1 Fictional or Autobiographical Narrative

Semester Two Requirements:

- WA 2.6 Technical
- WA 2.5 Business Letter

Timed: In-class (End of Semester):

- WA 2.1 Compare/Contrast, section c.,
- WA 2.4 Persuasive
