## **NATIVE PARENT ADVISORY COMMITTEE**

### **NPAC**

- There are meetings four(+) times a year during the school year
- The District office will host the first meeting. See you there. :)
- **The meetings begin on November 9, 2021 (Tuesday)**
  - **District Office on 400 N. Elm St.**
  - **5:30-6:30 PM**
- Parents/Guardians of Native American Indian children attend these meetings
- Input and feedback from parents and guardians assists with scholarships for our young students who wish to continue on with their education beyond high school.
- Placing the Title VI grant money in areas that will best help our children with their educational studies
- Working on fund raising ideas to replenish the funds for scholarships that are given out every year.
- This advisory committee is run by the parent/guardian officers.
- Your voices, your decisions are important for your/our children who attend Montezuma-Cortez School District RE-1
- Creativity, thinking, planning, at these meetings are so important.
- My number if you need more information: 970-565-7282 Ext. 1116

Thank you from *Amelia Joe-Chandler*

If you've ever said,  
*"I'm struggling. I want help,"*  
you are in the right place.

### **Introducing "I Matter" telehealth**

Youth and their parents can visit the I Matter platform to take a confidential online survey about their mental health and schedule sessions with a licensed behavioral health clinician, primarily online over telehealth.

All Colorado youth are eligible to receive free services. The purpose of I Matter is to promote youth emotional and mental health.

You will be eligible for 3 free counseling sessions.

Parents, if you feel your child is struggling and needs help, you are in the right place to talk to a mental health professional for free. Seeking support for your child is not a sign of failure—it's a sign of strength.

## 2022 Youth Tour to Washington, DC – June 12-19, 2022 or Youth Leadership Camp to Clark, CO – July 16-21, 2022

Do you have a love of our nation's history and have you ever wanted to tour historical sites in Washington, DC? Maybe you are someone who enjoys attending an educational and fun summer camp that includes river rafting? Next summer could bring an opportunity for you to make new friends from other state's co-ops that share your same interests.

The Board of Directors of Empire Electric Association, Inc. is offering all-expense-paid trips to deserving high school juniors whose parent or guardian has an active EEA membership. These trips focus on education, leadership skills, and look great on a college application!

**Complete your application at [www.eea.coop](http://www.eea.coop)  
Application deadline is December 13<sup>th</sup>.**

Empire Electric is now accepting applications for the 2022 summer youth programs. Junior Students have the opportunity to attend the Washington, D.C. Youth Tour from June 11 -19, 2022 or the Youth Leadership Camp near Steamboat Springs, CO. Each program is all-expenses-paid. Empire Electric covers all costs to participate in either program, including travel, lodging, and food. Interested students must complete an application form and short essay. The application is attached and students can fill out the application out on-line at [www.eea.coop](http://www.eea.coop).

# REGRESO A LA ESCUELA: Guía para después de una evaluación positiva de síntomas de COVID-19

**Quienes presenten síntomas deben aislarse desde que estos comiencen y ser evaluados tan pronto como sea posible (incluso con pruebas de detección).** Si los síntomas aparecen en la escuela y se dispone de pruebas de detección en el lugar de atención médica, estas se pueden hacer después de una evaluación inicial con la herramienta «Cuando se presentan síntomas en la escuela».

Cualquier persona que dé positivo en cualquier tipo de prueba de diagnóstico viral (no en las pruebas de detección de anticuerpos) debe ser tratada como un caso positivo y debe aislarse. Ningún resultado adicional en las pruebas de detección puede poner fin anticipadamente al periodo de aislamiento de un individuo sintomático positivo.

Las personas que presentan síntomas dentro de un plazo de 90 días posteriores a una prueba de diagnóstico viral positiva (no a una prueba de detección de anticuerpos) y las que estén completamente vacunadas (2 semanas después de la última dosis) deben aislarse, ser investigadas en consulta con los organismos de salud pública y/o un proveedor de atención médica para detectar una posible infección y pueden requerir que se les hagan pruebas antes de regresar a la escuela.

## PARA EL USO DEL PERSONAL Y LOS ESTUDIANTES DE TODAS LAS ESCUELAS Y GUARDERÍAS

### Recordatorio:

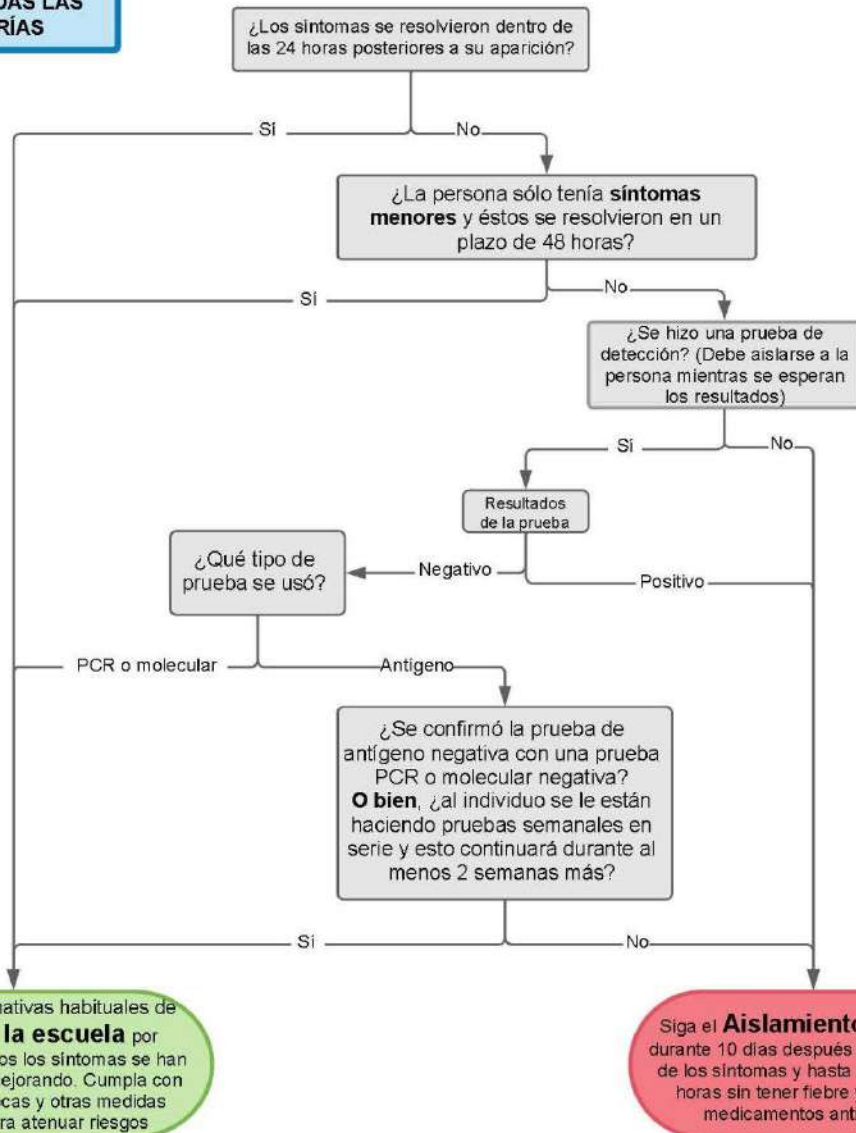

- Los síntomas habituales y sin cambios de una enfermedad crónica conocida no deben provocar la exclusión.

### Síntomas principales

- Fiebre, escalofríos, temperatura de 100.4 °F (38 °C)
- Tos reciente o que empeora
- Falta de aire o dificultad para respirar
- Pérdida del gusto o del olfato

### Síntomas menores

- Dolor de garganta
- Congestión o goteo nasal
- Dolores musculares o corporales
- Dolor de cabeza
- Fatiga
- Náuseas o vómito
- Diarrea

# RETURN TO LEARN: Guidance Following a Positive COVID-19 Symptom Screen

Any symptomatic individuals should isolate from symptom onset and pursue evaluation, including testing as soon as possible. If symptoms develop at school and point of care testing is available, testing may be performed following an initial assessment using the Addressing Symptoms at School tool.

Anyone who tests positive using any viral diagnostic test type (not antibody tests) should be treated as a case and should isolate. No additional test results can end a symptomatic positive individual's isolation period early.

Symptomatic individuals within 90 days of a previous positive viral diagnostic test (not antibody test) and those who are fully vaccinated (2 weeks after final dose) should isolate, be investigated for potential infection in consultation with public health and/or a healthcare provider, and may require testing prior to return to school.

**FOR USE IN ALL SCHOOLS AND  
CHILDCARE SETTINGS FOR STAFF  
AND STUDENTS**

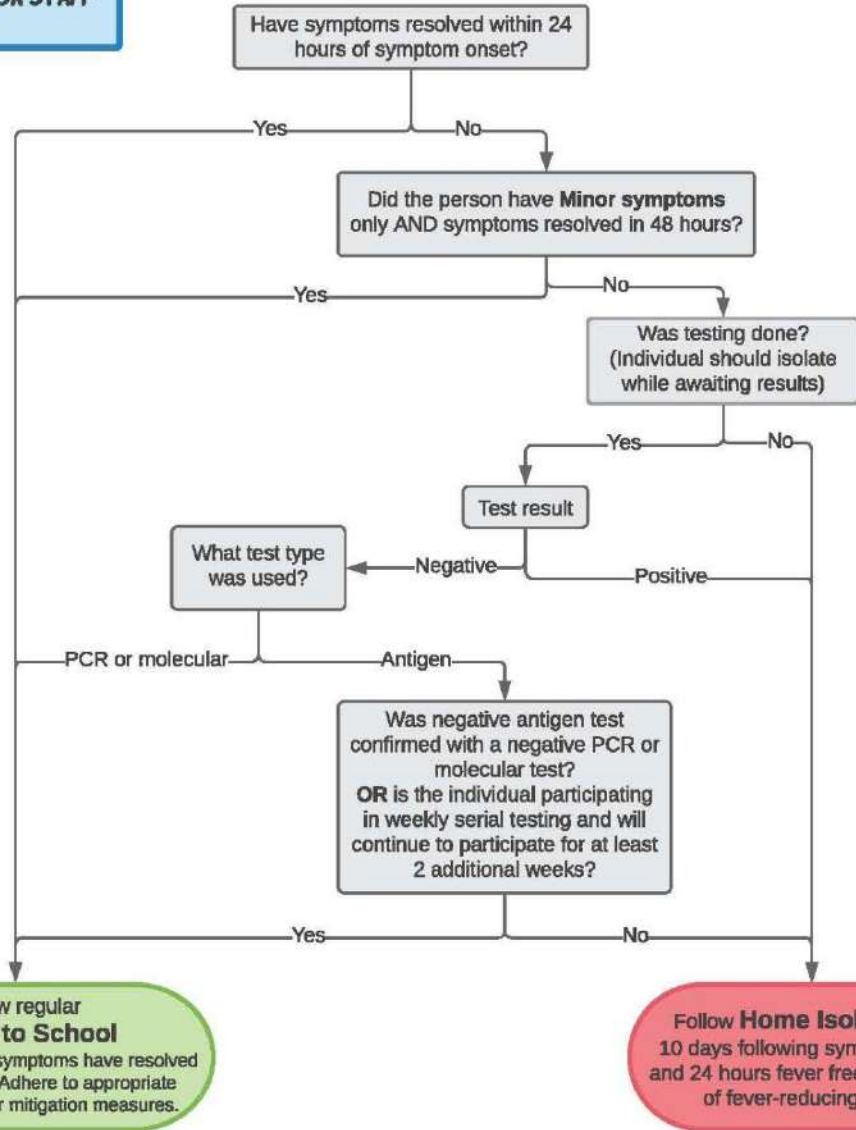

**Reminder:**  
• Unchanged, usual symptoms of a known chronic condition should not prompt exclusion

**Major Symptoms**

- Feeling feverish, having chills, temperature of 100.4° F or greater
- New or worsening cough
- Shortness of breath or difficulty breathing
- Loss of taste or smell

**Minor Symptoms**

- Sore throat
- Runny nose or congestion
- Muscle or body aches
- Headache
- Fatigue
- Nausea or vomiting
- Diarrhea

**Follow regular Return to School**  
Illness policies if all symptoms have resolved or are improving. Adhere to appropriate masking and other mitigation measures.

**Follow Home Isolation** for 10 days following symptom onset and 24 hours fever free without use of fever-reducing meds.

## Herramienta de detección de síntomas del COVID-19 en casa para padres y miembros del personal escolar

Los padres y tutores pueden usar estas listas de verificación para detectar síntomas y determinar cuándo sus hijos deben quedarse en casa. Asimismo, los miembros del personal de la escuela pueden utilizar esta herramienta para determinar si deben quedarse en casa. **Cualquier estudiante o miembro del personal diagnosticado con el COVID-19 o que haya tenido un contacto cercano con un caso de COVID-19 no deberá ir a la escuela y debe [aislarse o hacer cuarentena](#), de acuerdo con las recomendaciones de los organismos de salud pública.**

Las siguientes listas se refieren solamente a los síntomas nuevos o a un cambio de los síntomas normales. Un estudiante o miembro del personal no deberá quedarse en casa a causa de síntomas que normalmente experimentan debido a una condición crónica, a menos que se sientan peor de lo normal. Dichas directrices se proporcionan como suplemento a las normas regulares de la escuela (ej. un niño con vómitos no deberá asistir a la escuela, de acuerdo con las normas regulares de la escuela). Por favor refiérase a la directriz de [Regreso a la Escuela](#) (en inglés) cuando sea apropiado regresar a las clases.

**Si su hijo o usted presentan síntomas que podrían poner su vida en peligro, por favor, llame al 911.**

Prueba de síntomas:

Si presenta cualquiera de los siguientes síntomas, el niño deberá quedarse en casa y no ir a la escuela; además, debe informar los síntomas a la escuela y comunicarse con un proveedor de atención médica en relación con una prueba de detección del COVID-19 y los próximos pasos a seguir para el tratamiento.

- Tiene fiebre, escalofríos o una temperatura de 100.4°F o superior.
- Tos persistente reciente o inexplicada.
- Falta de aire.
- Dificultad para respirar.
- Pérdida del gusto u olfato.
- Fatiga.
- Dolores musculares.
- Dolor de cabeza.
- Dolor de garganta.
- Náusea o vómito
- Diarrea.
- Goteo nasal o congestión.

## At Home COVID-19 Symptom Screening Tool For Parents and Staff

Parents and guardians can use these symptom checklists to determine when to keep their child at home. School staff can also use this tool to determine if they need to stay at home. **Any student or staff diagnosed with COVID-19 or who is a close contact of a COVID-19 case should not go to school and should [isolate or quarantine](#) according to public health recommendations regardless of current symptoms.**

This symptom screen refers only to [new symptoms or a change in usual symptoms](#). A student/staff should not be kept home for usual symptoms they experience due to a chronic condition unless they are worse than usual. These guidelines are [in addition to](#) your regular school guidance (for example, a child with vomiting should also not attend school based on usual school guidance). Please refer to the [Return to Learn](#) guidance to determine when it is appropriate to return to school.

**If your child is/you are experiencing any potentially life-threatening symptoms please call 911.**

### Symptom Screen:

If any of the following symptoms are present, keep the child at home/stay at home, inform the school of symptoms, and reach out to a health care provider about COVID-19 testing and next steps for treatment.

- Feeling feverish, having chills, or temperature 100.4°F or higher.
- New or unexplained persistent cough.
- Shortness of breath.
- Difficulty breathing.
- Loss of taste or smell.
- Fatigue.
- Muscle aches.
- Headache.
- Sore throat.
- Nausea or vomiting.
- Diarrhea.
- Runny nose or congestion.

### Boettcher Scholarship Program

At Boettcher we believe in the promise of Colorado and the potential of Coloradans. Every day we champion excellence across our state by investing in our most talented citizens and high-potential organizations because supporting their hard work and leadership will enable them to give back for years to come.

#### Who Are Boettcher Scholars?

After receiving the scholarship, Boettcher Scholars pursue a variety of majors and go on to diverse careers. The one thing that unites them is their commitment to leading in their fields and giving back in their communities.

#### Our Alumni community includes:

- » A MacArthur "Genius Award" recipient
- » A Nobel Laureate
- » Marshall, Fulbright, and Rhodes Scholars
- » The former Director General of the U.S. Foreign Service
- » The former Speaker of the House for the State of Colorado
- » Nationally renowned doctors, educators, researchers, and entrepreneurs

#### The Award

The 50 scholarships awarded annually cover expenses for four years of undergraduate education at any four-year nonprofit college or university in Colorado.

#### Who We're Looking For

Boettcher Scholarships are awarded to the dynamic thinkers and leaders who will propel Colorado forward. Our merit-based competitive application process recognizes outstanding students who are academically talented and also committed to using their talents to support their communities. We encourage applications from all students who meet our eligibility requirements, regardless of gender, creed, ethnic origin, race, or sexual orientation. Financial need is not required to qualify for the Boettcher Scholarship.

### What's Covered?
