Bring your friends! See Mr. Sandner in room 1302 for more information.

Why Are Meals No Longer Free for the 2022-2023 school year?

Over the past two years, The Federal Government Allowed all students to eat free regardless of learning environment or family financial situation. However, beginning on the first day of school, August 15, 2022, students will be charged for both breakfast and lunch unless they qualify for free or reduced price meals.

www.cortez.k12.co.us

If I do not submit a free and reduced application prior to the first day of school and/or if my student does not have money in their account, what will happen?

Montezuma-Cortez School District never takes a reimbursable meal away from a student. Ala-Carte items are not considered reimbursable meals, these items must be paid for at time of purchase. If you have not submitted an application and do not have money in your students account, your students account would go into a negative balance. Families are responsible for paying any outstanding balances.

Do I need to Submit a free and reduced meal application for each school year?

Yes, you need to complete an application at the beginning of each year. If we don't have an application on file for your student, they will not be included in the 30-day grace period the following year.

I don't qualify for free or reduced-price meals. Do I need to do anything?

If you do not believe you qualify for free or reduced-price meals, please make sure that there is money in your students account at My *School Bucks.com* on the school's website or by check at your student's school.

¿Porqué las comidas ya no son gratis para el año escolar de 2022-2023?

En los últimos dos años, el gobierno federal permitió que todos los estudiantes comieran gratis sin importar el ambiente de aprendizaje o la situación familiar. Sin embargo, comensando el primer día de clases, el 15 de agosto de 2022, se les cobrara el a los estudiantes el desayuno y el almuerzo a menos que califiquen para ecibir comidas gratis o a precio reducido.

www.cortez.k12.co.us

Si no presento una aplicación de comida gratis y reducida antes del primer día de clases y/o si mi estudiante no tiene dinero en su cuenta, ¿qué sucederá?

El Distrito Escolar de Montezuma-Cortez nunca le quita una comida reembolsable a un estudiante. Los artículos a la carta no se consideran comidas reembolsables, estos artículos deben pagarse al momento de la compra. Si no ha presentado una aplicación y no tiene dinero en su cuenta de su estudiante, su cuenta de estudiante tendrá un saldo negativo. Las familias son responsables de pagar los saldos pendientes.

¿Necesito presentar una aplicación de comida gratis o a precio reducido para cada año escolar?

Sí, debe completar una aplicación al comienzo de cada año. Si no tenemos una aplicación archivada para su estudiante, no se incluirá en el período de gracia de 30 días del año siguiente.

No califico para comidas gratis o a precio reducido. ¿Necesito hacer algo?

Si cree que no califica para recibir comidas gratis o a precio reducido, asegúrese de que haya dinero en la cuenta de su estudiante en myschoolbucks.com en el sitio web de la escuela o paga con un cheque en la escuela de su estudiante.
