Awards Ceremony: **Make-Up Assignment**

PAM Membership Requirement: demonstrating Participation, Emulation, & Mutual Support

It is essential that all PAM members not only set high performance goals for themselves, but also actively support their peers and this academy. Three meetings are required every year for active membership (signed in the contract): Fall Membership Meeting, Senior Recitals, & Awards Ceremony. It is an opportunity to show your dedication, to learn from your peers, and to exercise your support. Missing an event and expecting the rewards is not a beneficial example of membership in a proud academy. Missing the Awards Ceremony may be unavoidable, but it must be legitimate. Notify your advisor no later than one week in advance with this form; explain your legitimate situation and complete the make-up assignment in order to still receive the awards.
