

Today, you will be challenged to Think... Make... Improve... using the MaKey MaKey Boards.

- To get started, go to [Classroom.google.com](https://classroom.google.com)
- You will find a google doc with links for today's activities.
- Try to get through all three tasks in our 30 minute table time

	What worked:	What did you have to troubleshoot?	How could you use this again?
Task 1: Play music			
Task 2: Create a controller to play a game			
Task 3: Draw and connect using graphite pencils
