

March 2014

"Born To Shine"

Dear Sanborn Families,

Thank you so much for attending our parent conferences in February. We had high participation and so appreciate your input and support as focus on your child's progress and goals. As we move towards the end of third quarter we look forward to your child sharing their learning with you on March 6th during our Celebration of Learning Event. Join us between 5 - 7 p.m. and you will have the opportunity to participate in an assortment of engaging activities. Visiting your child's classroom, reviewing our science fair projects, browsing through our book fair, strolling through our Sanborn Art Gallery, shopping at our Sanborn Spirit Shop, sampling our food vendors, and experimenting at our "Mad Scientist" table are but a few!

Thank you for supporting our Boosterthon Fundraiser this quarter where students collected over \$10,000 in family pledges for completing a school-wide Fun Run on January 16th. This was our main fundraiser for the year, and in addition to raising funds, lessons came to life as the Boosterthon Fun Run team members creatively presented character education lessons to our K-6 students during their "Camp High Five" program. Proceeds will go towards our long-term technology goal of purchasing class sets of individual lap-tops (approx. \$30,000) to complement our current computer lab, document cameras and classroom computer stations.

Sincerely,

Nel Capasana 

March
