Market Men Posters

For each market systems pioneer – Smith & Marx – you should create a poster that outlines in detail the market system he supports, as well as the values that system represents. Your posters should be done on blank copy paper (provided) and may be back-to-back.

Each poster should include the following items:

Name of Market Man

Prominent color picture/image/symbol that represents this person/market system

Market system he supported:

- ~Define in your own words
- ~3 important concepts he advocated within this system, briefly defined
- ~2 examples of this system, briefly defined
- ~ 3 Strengths & 3 weaknesses of this system
- ~5 Values this system represents
 - from the values list (or values that you come up with on your own)
