

The Math-Science Department at ASFA

Pre-Audition Materials

In order to receive pre-application and pre-audition consideration, you must submit digital copies of any current and/or past standardized test scores of your student. Contact the Registrar at your current or previous schools to be given photocopies, or have digital copies sent to your email. Once these have been attained, email them to asfapreapp@asfa.k12.al.us

Only completed pre-application information and completed audition materials received will be reviewed.

For questions about your pre-application audition materials contact:
asfapreapp@asfa.k12.al.us
