

Middle School Standards Revisions for Math and ELA 2018-2019

Introduction to the North Carolina Standard Course of Study

- Every 5 to 7 years NCDPI will review the standards for every content area to ensure the NCSCOS consists of clear, relevant standards and objectives.
- NCDPI just completed this cycle for Math and ELA and in April 2017, the North Carolina State Board of Education adopted new ELA and Math standards for grades K-12.
- The Standard Course of Study describes what students should know, understand, and be able to do by the end of each grade level.

Who was involved?
