

Mathematics Intervention

Suggested Websites for Students/Parents/Teachers to use in School & At Home

<http://math2.org/>

- Math Reference Tables and Charts in English and Spanish

<https://www.khanacademy.org/math>

- Resources for all levels of math Pre-K/Early Math thru College/Advanced Mathematics

<http://www.aaamath.com/>

- AAA Math features a comprehensive set of thousands of interactive arithmetic lessons.
- Unlimited practice is available on each topic which allows thorough mastery of the concepts.
- A wide range of lessons (Kindergarten through Eighth grade level) enables learning or review to occur at each individual's current level.
- Immediate feedback prevents practicing and learning incorrect methods, which is a common result of traditional homework and worksheets. Practice can continue as long as desired in a non-threatening format which helps build self-esteem and confidence.

<https://www.varsitytutors.com/aplusmath>

- Aplusmath Interactive math resources for teachers, parents, and students featuring free math worksheets, math games, math flashcards, and more.

<https://www.mathsisfun.com/>

- Learn about Numbers, Algebra, Geometry, Data, Measurement, Money and Calculus
