Webinars

Dates TBD

Details and updates will be communicated to member districts by email through a newsletter.

Last updated—8/4/16

Inland Empire Math Teachers' Circle at CSU San Bernardino

Dinner and a Math Problem aims to bring together mathematics teachers to share in an exciting journey into problem solving in an interesting and accessible area of mathematics. During dinner, we will collaboratively delve into a few challenging puzzles ranging in difficulty, but centered about a common mathematical theme. Hopefully, you will see some important ideas that you can use in your teaching as we aim to equip students with flexibility in their thinking. Bring your curiosity, creativity, and your appetite, and be part of this fun experience!

****Sign-Up Required****

(If you are interested in attending please email icmp@csusb.edu to receive information on how to register)

Each workshop is FREE, and dinner is provided
