**Woodrow Wilson Elementary School**  
**Ms. Jennifer Rosser—Principal**  
**May, 2019**

### Woodrow Wilson's Vision & Mission Statement

**Vision** - Woodrow Wilson is a united learning community leading our students to high achievement as we work together hand-in-hand to support all students at their level of instructional, social and emotional need.

**Mission** - Woodrow Wilson is dedicated to a collaborative student centered learning community that involves all stakeholders to provide all students an engaging and meaningful education that motivates them to reach their full potential and enables them to discover their interests and talents, pursue their goals and dreams, and succeed in college, in the workforce and as productive citizens now and in the future.

### Principal's Message

Wow!!! How can it be May already? Where has the 2018 -19 school year gone? With every passing school year, it seems time passes quicker and quicker. You can certainly tell by the heightened energy and excitement of the students all around campus that the end of the school year is very near and they are ready for summer break. Let's continue to work together to encourage students to maintain good behavior, citizenship and all their PAWS expectations. May is going to be an amazing month at Wilson. We have many special events planned to bring students, staff and families together to experience new opportunities for learning, having fun and growing our Wilson community over the remaining days of this school year. I hope to see all of you at every event so we can continue to develop our partnership to provide the best in education for our children. As our students work hard completing all their End of Year testing, let's continue to support & encourage them to put forth their very best effort. Always remember your PAWS pledge and the need to be kind to everyone, help someone and smile every day for it is the universal language of kindness.

Ms. Rosser
