Medications

If your child has medication here at school, a parent/guardian must pick it up. The last day to pick up medications will be on Thursday, May 30 by 4:00 p.m. If a medication is not picked up, it will be disposed of in a proper fashion.

Attention all outgoing 5th Graders

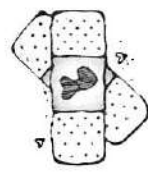

All students entering 6th grade are required to have one Tdap vaccine per Colorado State Law. Your child may be denied entry into school if they do not have the required immunizations. For information about the Tdap vaccine you can go online at:

Immunizations

Just a reminder, if your child has a personal or religious exemption for immunizations required by Colorado State Law, a new exemption will need to be completed after July 1, 2019. A completed form is now required yearly. If you have questions or would like more information, please contact the health office or go online at:
