

# Mountain Brook Junior High Summer School 2015 9<sup>th</sup> Grade (Rising 10<sup>th</sup> graders)

For the 2014-2015 school year, Mountain Brook Junior High will operate a summer Credit Recovery Program for current 9<sup>th</sup> grade students. Students failing to master the required standards in core academic classes have the opportunity to attend our summer school to recover that credit. A self-paced online format, along with live instruction and support, will be utilized. When students complete the program and demonstrate mastery in the assigned area, they will receive the appropriate grade-level credit. Because the program is self-paced, some students may finish before the end of a term, while others may need to attend more than one term.
