TIGER PRIDE

Principal News

I am so thankful to be a part of such an amazing school and community. This month we will be focusing on effort and putting in the work to be successful. One way to put in effort is to always study and practice hard in anything you do. Practice is key. We will be sharing with others by collecting nonperishable items for those in need for the holidays. Every little bit you can share makes a big difference for our families and community. Thanksgiving is a time of togetherness and gratitude. Thank you for all of your support for our kids
