

Rest Art

Look at the images of the different RESTS in musical notation. What else do they remind you of? Draw your own image that reminds you of a rest. (For example: a whole rest looks like a hole in the ground, but it could also be a cup, a boat... use your imagination!)

Pictures of the Rest Family:

What do the rests look like to you? Draw it below!

Note Cartoons

Note Cartoon!

Use these music symbols to create your own note cartoon!

Make a Shaker

Make your own percussion instrument from common household items. It's EASY!

Items you need:

**toilet paper roll (empty) or empty food can
dry beans or dry rice
paper (any type)
tape (any type)
decorations (of your choice)**

- 1. Tape one end of your paper roll shut with paper.**
- 2. Add beans or rice (no more than ½ full).**
- 3. Tape the remaining end of the tube shut.**
- 4. Make sure your taped ends are secure, then test your shaker.**
- 5. Finish by decorating with crayons, markers, etc...**

Name: _____
