ABOUT ME

Hello! My name is Claire Peterson and I am your child's music teacher. I will be teaching music at Wilkshire Early Childhood Center.. This is my 5th year of teaching music. I previously taught TK-4th grade music in Holt. I graduated from Michigan State University and I am working on my masters at Eastern Michigan. I live with my husband and our two cats, Rollie and Stuart. I absolutely love teaching music and how it brings people together. I hope to create musical experiences and unlock creativity with your child this year while having so much fun. It's going to be awesome!
