Magnolia Junior High School MUSIC

PLEDGE Contribution Information

The Magnolia Junior High Music Boosters is a 501 (c)(3) non-profit organization formed by parents of students in the Band and Color Guard Program. Parent organization like the Booster clubs connect students, parents and community members with our rich music program at Magnolia Jr. High. The organization strives to raise funds to benefit and support the educational experiences of our Magnolia students in this Music Program. The primary role of a parent organization or booster club is to enrich students' participation in music education. *A pledge contribution is a voluntary monetary contribution that has been set to cover expenses related to the different components of our Music Program not completely funded by the School District.* Furthermore, the pledge is in lieu, of constantly doing multiple fundraisers (car washes, chocolate sales, Goodwill etc.). It was implemented in the 1990s and it is comparable to the fees of other community organizations such as Little League. Without this financial support, our Music Program would be further limited in offering educational activities planned for the year for the Band and Colorguard students.

Your *voluntary*, tax-deductible, pledge contribution of **\$150.00 per student** will financially support the expenses of our Music Education Program. You may choose to pay the entire pledge amount upfront or in payments as shown in the payment plan handout. We are here to support you and please do not hesitate to talk to us if you have any questions or concerns with this payment.

Funds that are raised through your pledges include:

- Bus Transportation
- Instrument Repairs
- Purchases of equipment (Band & Color guard)
- Coach Stipends
- Uniform Cleanings
- Equipment Transportation (U-Haul rentals)
- Association Dues/ Festival Fees
- Music Purchases
- CPA Fees
- District Misc. Fees
- Miscellaneous Music Program related expenses: In-house concert expenses/ awards
