

Anoka County Child Care Licensing Presents:

Music, Movement and the Brain

Music and Movement are powerful in creating a positive early learning environment. Early learning experiences that are rich in music and movement support brain development and help the body and brain work together. This training will provide you with tools and ideas of how to incorporate activities into your daily schedule.

Event ID: 163910

Core Competency Areas: Iib Promoting Physical Development and
Iif. Promoting Creativity and the Arts
CDA Content Area: Physical and Intellectual Development
