

Music Rocks

Music rocks you when you're up or out.
Music rocks and I just gotta shout. Hey!
Music rocks oh there's one thing I know.
Got my music so come on let's go.

Oh. Yeah. Music rocks. Oh. Yeah. Music rocks.

Music rocks me with a mighty beat.
Music rocks me from my head to feet. Hey!
Music rocks me ev'ry day and night.
Got my music and I'm feelin' right.

Oh. Yeah. Music rocks. Oh. Yeah. Music rocks

(Spoken)

Music is the motion that will make you humanize.

Melody and rhythm gonna help you harmonize.

Singin' is the thing that's gonna be there in the end.

Put your heart into your music and you'll always have a friend!

Oh. Yeah. Music rocks.
Oh. Yeah. Music rocks.
Oh. Yeah. Music rocks.
Oh. Yeah. Music rocks.
