BORN TO MAKE MUSIC

We were born to make music We were born to sing a song

We were born to make music And if you like you can sing along

We can sing out high (High) We can sing out low (Low)

Sing it in the middle or anywhere we go 'Cause we were born to make music

We were born to sing a song.

We were born to make music We were born to sing out loud

We were born to make music

And if you like you can join our crowd We can sing out high (High)

We can sing out low (Low) Sing it in the middle or anywhere we go

'Cause we were born to make music We were born to sing out loud.

We were born to make music

We were born to sing a song

We were born to make music

And if you like you can sing along We can sing out high (High) We can sing out low (Low)

Sing it in the middle or anywhere we go 'Cause we were born to make music

We were born to sing a song. Yes, we were born to make music

We were born to sing a song. Oh, we were born to make music We were born to sing a song.
